Public Safety

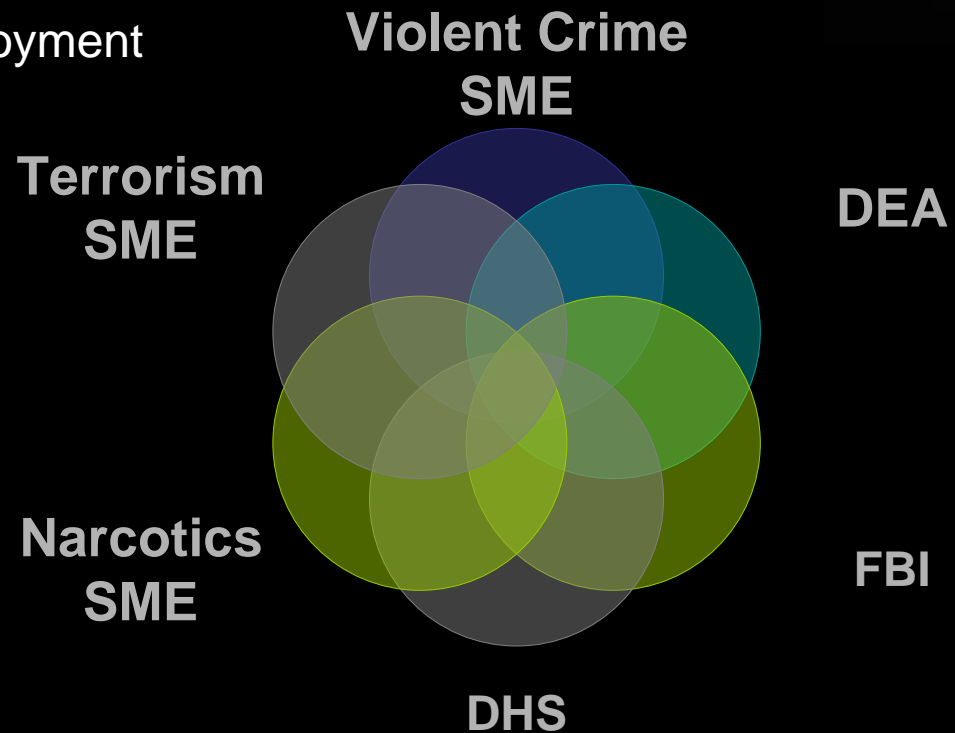

Private Sector / Public Reporting

Statewide Terrorism &
Intelligence Center

Threat Identification Group

- Daily Meeting
- Ad Hoc when needed
- Daily Briefing to Sr. Command
 - Drives Operational Deployment

Threats Against Gov't Officials

- Tactical Work-ups on Suspects
- Notification to Proper Authorities (Secret Service, FBI, Executive Protection Unit, Protective Services Unit, SOS Police, etc.)

Internet Crimes Unit

- The ICU went “live” on February 7th, 2007.
- “One-stop-shop”
- Serves as a point of contact for the **general public**, schools, and the law enforcement community for all questions/concerns regarding Internet safety.
- www.isp.state.il.us/icu

Infrastructure Security Awareness

- Designed to leverage the already existing formal and informal networks of the private sector through a communication link with STIC.
- Provides an informational pathway between the private sector security officials involved in the protection of critical assets and the public safety/law enforcement sectors.

Infrastructure Security Awareness

- To receive For Official Use Only information including that from DHS (HITRAC) and FBI:
 - Threat Calendar
 - Training Opportunities
 - Threats Specific to Illinois

- . . . all through the ISA Internet Portal
