In an effort to inform non-criminal justice users regarding the Illinois Criminal History Record Information program, the Bureau of Identification will be conducting a Criminal History Record Information (CHRI) Symposium. This symposium is scheduled for Wednesday, November 9, 2005, from 8:00 am to 12:00 pm. This event will be held in the Conference Room at the Capital City Center at 130 Mason Street in Springfield. In times of heightened security, it is important that CHRI users make good hiring and licensing decisions on potential child care users, health care workers, local government applicants, and general employment staff.
