OUTSIDE CHICAGO/COOK COUNTY
funded by
The Illinois Criminal Justice Information Authority

GENERAL INFORMATION

Project Duration: Maximum of 24 months beginning no later than October 1, 1999. Funding for the full 24 months will be dependent on project performance.

Available Funds: One million dollars will be allocated among multiple projects outside Chicago/Cook County depending on the number of responses received. These funds are a portion of a federal fiscal year 1998 (FFY98) Victims of Crime Act (VOCA) Victim Assistance Grant from the Office for Victims of Crime to the Illinois Criminal Justice Information Authority for direct services to victims of violent crime. The **minimum** request that will be accepted for consideration is \$60,000 of federal funding for a 24-month period. VOCA funds may not be used to supplant or replace state and local funds that would otherwise be available for crime victims' services and must be used to develop new projects or expand an existing project.

Match: Grant funds may not be used for more than 80% of the total cost of the project. The remaining portion of the project costs must be met through a cash or in-kind match contribution to the project from non-federal sources.

Eligibility: Nonprofit organizations and units of local government on behalf of public

organizations that provide direct services to crime victims who reside outside Chicago/Cook County. Recipients of additional VOCA funds from either the Illinois Coalition Against Domestic Violence (ICADV) or Illinois Coalition Against Sexual Assault (ICASA) may apply for funding under this RFP. If you have questions about whether your organization is eligible to submit a proposal, please contact the toll free number provided below. A separate request for proposals will be sent out for programs serving victims of crime residing within Chicago/Cook County.

Proposal Deadline: Proposals must be received by **12:00 noon on Friday, May 21, 1999**. Facsimile transmissions are not acceptable. Late proposals will not be accepted. To be accepted for consideration, proposals must meet the requirements set forth in this Request for Proposals (RFP).

Questions: Contact the Illinois Criminal Justice Information Authority's toll-free number at 1-888-425-4248. The Authority's web site, www.icjia.state.il.us, also provides information on this RFP.

SECTION I: OVERVIEW

The Victims of Crime Act (VOCA) was passed in 1984 for the purpose of compensating and assisting victims of crime and providing funds for training and technical assistance. The 1984 VOCA legislation established the Crime Victims Fund (Fund) in the U.S. Treasury and authorized the Fund to receive deposits of fines and penalties levied against criminals convicted of federal crimes. In recent years, Illinois' VOCA awards have ranged from \$2-16.9 million. In FFY98,

Illinois' award was \$11.4 million.

The Illinois Criminal Justice Information Authority is the state agency charged with the administration of the federal Victims of Crime Act (VOCA) funds earmarked for direct services for victims of violent crime. One million dollars in VOCA funds will be available for the development or expansion of direct service programs outside Chicago/Cook County. Funding for the full 24-month period is dependent on project performance.

SECTION II: BACKGROUND

The Illinois Criminal Justice Information Authority is the state agency charged with the administration of the Illinois' Victims of Crime Act Victim Assistance Program. This program is supported by fines and penalties levied against criminals convicted of federal crimes and allocated to states by formula by the Office for Victims of Crime of the U.S. Department of Justice. The primary purpose of these grants is to support the provision of direct services to victims of violent crime. States are required to allocate a minimum of 10 percent of the funds received for services to each of the following: victims of sexual assault, domestic violence, child abuse, and underserved victims of violent crime. **VOCA funds may not be used to supplant or replace state and local funds that would otherwise be available for crime victim services and must be used to develop new projects or expand an existing project.**

SECTION III: ELIGIBILITY

Eligible applicants include nonprofit organizations and units of local government on behalf of public organizations that provide direct services to crime victims residing outside Chicago/Cook County and which meet the following subrecipient organization requirements:

1. **Public or Nonprofit Organization.** Are operated by a public or non-profit organization, or a combination of such organizations, and provide direct services to crime victims;
2. **Record of Effective Services.** Demonstrate a record of providing effective direct services to crime victims. This includes having the support and approval of its services by the community, a history of providing direct services in a cost-effective manner, and financial support from other sources;
3. **New Programs.** Those programs that have not yet demonstrated a record of providing services may be eligible for VOCA funds if they can demonstrate that a minimum of 25 percent of their financial support comes from non-federal sources;
4. **Meet Program Match Requirements.** Matching contributions of 20 percent (cash or in-kind) of the total costs of the VOCA project. Match is to be committed for each VOCA-funded project and derived from resources other than federal funds and/or resources;
5. **Volunteers.** Subrecipient organizations must use volunteers unless the state grantee determines there is a compelling reason to waive this requirement;
6. **Promote Community Efforts to Aid Crime Victims.** Promote, within the community, coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on State, Federal, Local or Native American task forces, commissions and/or working groups; and developing written agreements, which contribute to better and more comprehensive services to crime victims. Coordination efforts qualify an organization to receive VOCA victim assistance funds, but are not activities that can be supported with VOCA funds;
7. **Help Crime Victims Apply for Compensation.** Such assistance may include identifying and notifying crime victims of the availability of compensation, assisting them with application forms and procedures, obtaining necessary documentation, and/or checking on claim status;
8. **Comply with Federal Rules Regulating Grants.** Comply with the applicable provisions of VOCA, the VOCA Program Guidelines, and the requirements of the Office of Justice Programs Financial Guide, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received;

This requirement is waived when providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the victim;
10. **Comply with State Criteria.** Abide by any additional eligibility or service criteria as established by the State grantee including submitting statistical and

programmatic information on the use and impact of VOCA funds, as requested by the State grantee;

11. **Services to Victims of Federal Crime.** Provide services to victims of Federal crimes on the same basis as victims of state/local crimes;
12. **No Charge to Victims for VOCA-Funded Services.** Provide services to crime victims, at no charge, through the VOCA-funded project;
13. **Client-Counselor Confidentiality.** Maintain confidentiality of client-counselor information as required by State and Federal law;
14. **Confidentiality of Research Information.** Except as otherwise provided by federal law, no recipient of monies under VOCA shall use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with VOCA; and
15. **Civil Rights. Prohibition of Discrimination for Recipients of Federal Funds.** No person in any state shall, on the grounds of race, color, religion, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, be subjected to discrimination under, or denied employment in connection with any program or activity receiving federal financial assistance.

GENERAL INSTRUCTIONS: The purpose of the attached proposed budget form is to summarize, by item of expenditure, the total budget of the proposed project. This is a preliminary budget and is not binding. The final budget will be determined if an award is made. Make sure that each budget category is totaled correctly and that the **total budgeted amount of federal funds** does not exceed 80% of the total costs of the project. Please round off all amounts to the nearest dollar.

An allocation for audit costs may be included in the itemized budget but should not exceed 2% of the total budget.

DETAIL OF ITEMIZED BUDGET:

Enter the full salary for personnel who will spend time on the project in the *unit cost* column. Identify the percentage of time spent on the project under the *percentage of time* column. Multiply the unit cost by the percentage of time and enter the budgeted amount for this project into the federal and/or match columns as appropriate. Fringe benefits are allowable as long as they meet federal guidelines and are comparable to those granted to other employees of the organization.

Equipment: Enter any equipment which is to be purchased and which has a unit cost of more than \$50. Detail each item of equipment, including the number of units and the estimated cost per unit.

The cost for each item should include taxes, delivery, installation and all related costs. Lease or rental equipment belongs under the Contractual category. Equipment items of less than \$50 should be listed under Commodities.

Note: Purchases in excess of \$5,000 must be procured according to the procedures which minimally adhere to state and federal regulations; such purchases may be bid according to local rules and regulations if such standards meet or exceed state and federal regulations. Applicants must solicit quotes from at least three sources for purchases of \$5,000 or less for a single equipment item; if local rules and regulations require quotes or bids from a greater number of sources for such purchases, local rules and regulations must be followed.

Commodities: This section applies to consumable supplies and any equipment items with initial prices of less than \$50. Itemize all commodities to be used for the project; avoid the designation "miscellaneous".

Travel: This section applies to *project personnel only*. These expenses include mileage, subsistence, lodging and transportation expenses for employees who are on official business related to the goals and objectives of the project. Reimbursement may

not exceed the rates and conditions established for state employees by the Governor's Travel Control Board.

Personnel: List the personnel to be paid for with agreement funds and explain any unusual salary level. Specify the fringe benefits that will be charged to the agreement and how they were calculated.

The Drug Free Workplace Act, effective January 1, 1992, requires that no grantee or contractor shall receive a grant or be considered for the purposes of being awarded a contract for the procurement of any property or services from the State unless that grantee or contractor has certified to the State that the grantee or contractor will provide a drug free workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract or grant payments, termination of the contract or grant and debarment of contracting or grant opportunities with the state for at least one (1) year but not more than five (5) years.

The contractor/grantee certifies and agrees that it will provide a drug free workplace by:

- (a) Publishing a statement:
 - (1) Notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, including cannabis, is prohibited in the grantee's or contractor's workplace.
 - (2) Specifying the actions that will be taken against employees for violations of such prohibition.
 - (3) Notifying the employee that, as a condition of employment on such contract or grant, the employee will:
 - (A) abide by the terms of the statement; and
 - (B) notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.
- (b) Establishing a drug free awareness program to inform employees about:
 - (1) the dangers of drug abuse in the workplace;
 - (2) the grantee's or contractor's policy of maintaining a drug free workplace;

- (3) any available drug counseling, rehabilitation, and employee assistance programs; and
 - (4) the penalties that may be imposed upon an employee for drug violations.
- (c) Providing a copy of the statement required by subparagraph (a) to each employee engaged in the performance of the contract or grant and to post the statement in a prominent place in the workplace.
 - (d) Notifying the contracting or granting agency within ten (10) days after receiving notice under part (B) of paragraph (3) of subsection (a) above from an employee or otherwise receiving actual notice of such conviction.
