Here is a copy of the Third Annual Report, which was mailed today, and the cover letter sent to the Governor and Chief Justice.

I have sent a copy to Hank Anthony at CJIA for posting on the website.

The only changes from the version I distributed on March 29 are (1) deletion of the reference to Art. I, § 11 of the Illinois Constitution, and the *Sharpe* case, on page 18, note 2, because I thought it irrelevant to the text, (2) addition of a footnote in Table 2 re DeWitt County, per Leigh Bienen's request.

My best to all!
