### Section C - Budget Worksheet & Narrative

**6. Contractual Services (2 CFR 200.318) & Subawards (200.92)** -- Provide a description of the product or service to be procured by contract and an estimate of the cost. Applicants are encouraged to promote free and open competition in awarding contracts. Federal rules require a separate justification must be provided for sole source contracts in excess of \$150,000 (See 2 CFR 200.88). **However, ICJIA has additional requirements for sole source contracts of other amounts. The applicant must contact the ICJIA grant monitor or program administrator for additional information.** This budget category may include **subawards**. Provide separate budgets for each subaward or contract, regardless of the dollar value and indicate the basis for the cost estimates in the narrative. Describe products or services to be obtained and indicate the applicability or necessity of each to the project.

*Please also note the differences between subaward, contract, and contractor (vendor):*

- 1) Subaward (200.92) means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal/State award, including a portion of the scope of work or objectives. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal/State program.
- 2) Contract (200.22) means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward.
- 3) "Vendor" or "Contractor" is generally a dealer, distributor or other seller that provides services in support of the project activities. This can include utilities, leases, computing costs, audit costs, and similar types of costs.

**Note: Please see ICJIA Specific Instructions tab for additional information for completing this section.**

Description	Computation				Federal/State Amount	Match	Total Cost
	Cost per Basis	Basis	Length of Time	Pro-Rated Share (Put 100% if cost is not pro-rated)
