**MEMORANDUM**

**TO: Director Patrick Delfino**

**FROM: Greg Stevens, FSGU Director**

**DATE: January 25, 2022**

**SUBJECT: Victim Services Ad Hoc Committee Meeting Members**

---

In January 2022, ICJIA will host a Victim Services Ad Hoc Committee meeting which is required by statute and may inform victim service funding through federal fiscal year 2025. ICJIA staff asks the Board to create a Victim Services Ad Hoc Committee and appoint the members listed below who will advise the Board and agency on the Violence Against Women Act (VAWA) Implementation Plan, which is in accordance with the VAWA Reauthorization Act of 2013, as well as future Victims of Crime Act (VOCA) applications.

The four-year Implementation Plan is used to assess the performance of VAWA STOP funded programs, discuss the needs of victims of domestic violence and sexual assault, and identify priority funding areas while also considering the statutory purpose areas of VAWA.

ICJIA serves as the State Administrating Agency for the VAWA STOP Formula Grant Program funds and as such is charged with funding projects throughout the state that effectively address one or more of the twenty (20) program purpose areas under the VAWA grant. The Ad Hoc Committee will initiate a comprehensive effort to coordinate victim services.

The Ad Hoc Committee includes representation from state agencies, municipal governments, victim service agencies, and victims. The Committee will advise on the distribution of the plan, possible Notice of Funding Opportunities, and further implementation steps through federal fiscal year 2025. The Ad Hoc Committee will meet as needed and may hold additional sub-committee meetings, if determined to be necessary. The meetings will follow the Open Meetings Act. The list of members is as follows:
