**OFFICE OF FISCAL MANAGEMENT  
RE: SINGLE AUDITS EXTENSION**

**Single audits** submission to the Federal Audit Clearinghouse has been extended for six (6) months.

If a grantee's year-end is between now and June 30, 2020, the extension permits delay of completion and submission of the Single Audit reporting package for six months beyond the original due date. The six-month extension applies to GATA grantee requirements (certification form, CYFER submission, package upload, and data form)

- **No further action is required to enact this extension**
