

State of Illinois
Pat Quinn, Governor

Illinois Criminal Justice Information Authority
Jack Cutrone, Executive Director

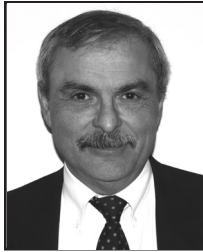

ILLINOIS CRIMINAL JUSTICE INFORMATION AUTHORITY 2012 ANNUAL REPORT

Illinois Criminal Justice Information Authority

To the Governor and the Honorable Members of the General Assembly:

Jack Cutrone

On behalf of the members and staff of the Illinois Criminal Justice Information Authority, I am pleased to present the ICJIA Fiscal Year 2012 Annual Report. This report features the Authority's work in Illinois criminal justice policy and planning, grants administration, research, and information systems development during the fiscal year.

In FY12, ICJIA administered one state and 12 federal grant programs, including the Edward Byrne Memorial Justice Assistance Grant Program, Victims of Crime Act, Violence Against Women Act, and programs that address at-risk juveniles, decrease DNA backlogs, and improve criminal background checks across the state. Staff administered 296 individual grants, with nearly \$55 million in designations for the fiscal year.

Research staff completed profiles of all 19 Justice Assistance Grant-funded metropolitan enforcement groups and drug task forces in Illinois. These groups pool resources, knowledge, and personnel to more efficiently and effectively fight the proliferation of illicit drugs in their state regions. Each profile provides a general overview of the drug and violent crime problem in the task force's jurisdiction and strategies they use to address these issues.

ICJIA researchers also continued to develop online data interpretation tools, as well as updated maps, charts, and other data applications to enhance web access and online presentation formats of the agency's holdings of criminal justice and social risk factor data. Topic areas for these tools include crime trends for violent and property offenses, drugs seizures, drugs submitted for testing at Illinois State Police labs, drug treatment admissions, arrest trends for violent, property and drug offenses, probation sentence statistics, and juvenile data. Also included are data on special topics, such as domestic violence and elder abuse.

Staff completed an in-depth examination of recidivism among about 4,200 youth exiting Illinois Department of Juvenile Justice correctional facilities between FY05 and FY07. Various statistical methods were employed to explore juvenile re-offending and track youth into the adult system. Two juvenile recidivism reports are available online. Also in the area of juvenile justice, researchers surveyed educators, juvenile justice practitioners, and others who work with youth in their communities to determine how many schools, organizations, and agencies have adopted restorative justice principles and practices, and the extent to which their programs adhere to the restorative justice model. Information collected will be used to develop a statewide restorative justice inventory and clearinghouse.

Finally, the ICJIA website, www.icjia.state.il.us, continued to be a frequent destination of criminal justice professionals, educators, and members of the public. In addition to providing easy access to the latest criminal justice information, the site opens the door to the Authority's three major areas of operation: research, information systems, and federal and state grants. The number of unique visitors to the Authority's website in FY12 was 126,395 with an average of 21,066 users per month. Downloaded publications for the year totaled 1,104,493.

We look forward to continuing our partnership with the criminal justice community, the legislature, and the general public in fulfilling our mission of improving the administration of criminal justice in Illinois.

Jack Cutrone
Executive Director

Mission

Created in 1983, the Illinois Criminal Justice Information Authority is a state agency dedicated to improving the administration of criminal justice.

The Authority brings together key leaders from the justice system and the public to identify critical issues facing the criminal justice system in Illinois, and to propose and evaluate policies, programs, and legislation that address those issues. The agency also works to ensure the criminal justice system in Illinois is efficient and effective.

The Authority's specific powers and duties are detailed in the Illinois Criminal Justice Information Act [20 ILCS 3930 *et. seq.*].

The statutory responsibilities of the Authority fall under the categories of grants administration, research and analysis, policy and planning, and information systems and technology.

Grants administration

In the area of grants administration, the Authority:

- Implements and funds criminal justice and related programs under the American Recovery and Reinvestment Act, Edward Byrne Memorial Justice Assistance Grant program, and other state and federal grant programs.
- Monitors program activity and provides technical assistance to grantees.
- Provides staff support to the Illinois Motor Vehicle Theft Prevention Council, an 11-member board working to curb motor vehicle theft.
- Coordinates the Juvenile Crime Enforcement Coalition, charged with evaluating statewide juvenile crime prevention needs and overseeing juvenile crime prevention planning initiatives.

Research and analysis

In the area of research and analysis, the Authority:

- Publishes research studies that analyze a variety of crime trends and criminal justice issues.
- Acts as a clearinghouse for information and research on crime, crime trends, and the criminal justice system.

- Audits the state central repositories of criminal history record information for data accuracy and completeness.
- Provides or directs partners to technical assistance opportunities.

Policy and planning

In the area of policy and planning, the Authority:

- Develops and implements comprehensive strategies for a coordinated response by the various components of the criminal justice system for crime prevention and control, and assistance to crime victims using federal funds awarded to Illinois.
- Advises the Governor and the General Assembly on criminal justice policies and legislation.
- Convenes groups of policymakers and practitioners to identify and address ongoing concerns of criminal justice officials.
- Develops and evaluates state and local programs for improving law enforcement and the administration of criminal justice.
- Participates in initiatives that improve the impact and cost effectiveness of the criminal justice system.
- Identifies and provides information about evidence-based and promising practices for implementation by policymakers and practitioners.

Information systems and technology

In the area of information systems and technology, the Authority:

- Designs, develops, and supports systems which enhance the quality of victim service data.
- Serves as the sole administrative appeal body for determining citizen challenges to the accuracy of their criminal history records.
- Monitors the operation of existing criminal justice information systems to protect the constitutional rights and privacy of citizens.
- Supports the development of an integrated criminal justice information network in Illinois.

Authority Values Statement

The Illinois Criminal Justice Information Authority is dedicated to improving the administration of criminal justice in the state. The Authority works to identify critical issues facing the criminal justice system and proposes legislation, programs, and policies that address those issues. The Authority also strives to ensure the criminal justice system is as efficient and effective as possible. Authority staff are guided by the following values as they work to fulfill this mission.

Integrity

We believe in personal and professional integrity. We take pride in the Authority's mission and in maintaining and building on the agency's reputation for producing high quality work that is accurate, honest, fair, timely, and ethical. To that end, we will conduct our activities and ourselves in a manner that earns the public's trust and inspires confidence in our work. We will seek to encourage public feedback on our activities and public participation in planning activities and meetings.

Leadership

We are committed to supporting and developing staff leadership at all levels. Authority managers should lead by supporting innovation and by providing purpose, direction, example, and motivation while working toward the Authority's mission and improving the Authority. Our staff is encouraged to exercise leadership in motivating subordinates, coworkers, and/or supervisors to accomplish the Authority's mission and to adhere to the values established by the Authority. When appropriate, the Authority, as an organization, should assume a leadership role in the criminal justice system.

Diversity

We believe in an environment that supports and encourages a diverse workplace. We are committed to creating a comfortable and effective work environment; building rapport between people who are culturally, racially, and by gender different; utilizing the diverse ideas and experiences of all people in the workplace; supporting the right of every individual to be treated with fairness, consideration and respect; and enhancing our organizational culture by continuously improving human resource practices so that all staff feel welcome, their differences are valued, and they are supported in their work.

Professional development

We believe the most important asset of the Authority is its staff, and believe in giving each employee a chance to realize his or her fullest potential. We are committed to enhancing and expanding the skills, knowledge, and expertise of our staff. Therefore, we will work to meet training needs and promote individual as well as collective career enhancement.

Public service

We recognize that as a government agency, we serve the public. We understand that our purpose is to serve the best interests of the public. To maximize the use of public funds in support of our mission, we will strive to operate in a cost-effective and efficient manner, and support programs that operate in such a manner. We acknowledge our responsibility to disseminate information to maintain our accountability to the public.

Respect

We are committed to cooperation and teamwork and will keep the value of those with whom we associate, inside and outside of the Authority, at the forefront as we pursue the Authority's mission. We will strive to treat others with consideration, common courtesy, and dignity.

Teamwork and collaboration

We value teamwork and collaboration. We seek an atmosphere where individual talents and organizational expertise are combined to achieve successful outcomes. Internally, we will foster shared participation, responsibility, and recognition among staff at all levels and across functional units. Externally, we will facilitate constructive relationships among policymakers, criminal justice agencies, and stakeholders throughout the criminal justice system.

Excellence

We believe all our work must be of high quality. That is, it should be useful, informative, timely, complete, accurate, cost effective, objective, free from bias, accessible, and reflective of the best professional practice. We also believe that the work of any one staff person reflects upon the work of the entire Authority. We expect all staff members to generate high-quality work products.

Composition and membership

The Illinois Criminal Justice Information Authority is governed by a 25-member board of state and local leaders in the criminal justice community, and experts from the private sector. The Authority is supported by a full-time professional staff working from the agency's office in Chicago.

The Authority is led by a chairman, who is appointed by the governor from among the board's members. The Authority is required to meet at least four times a year.

Authority members set agency priorities, track the progress of ongoing programs, and monitor the agency's budget. By law, the Authority includes:

- Cook County Board President
- Director, Illinois Department of Children and Family Services.
- Director, Illinois Department of Corrections.
- Director, Illinois Department of Public Health.
- Director, Illinois State Police.
- Director, Office of the State Appellate Defender.
- Director, Office of the State's Attorney Appellate Prosecutor.
- Executive director, Illinois Law Enforcement Training and Standards Board.
- Illinois attorney general (or designee).
- Six members of the public.
- Two circuit court clerks (Cook and another county).
- Two police chiefs (Chicago and another municipality).
- Two public defenders (Cook and another county)
- Two sheriffs (Cook and another county).
- Two state's attorneys (Cook and another county).

Authority members include:

Peter M. Ellis, Chairman

Peter M. Ellis is an attorney in private practice focusing in the area of commercial and business litigation, and advising clients concerning a wide variety of business related disputes and transactions. His practice includes the representation of national and multi-national clients in the areas of franchise,

licensing and distribution, product liability, unfair competition, trademark, and trade secrets and other intellectual property claims. Mr. Ellis' experience includes litigating complex commercial matters including class action lawsuits and arbitration proceedings, as well as white collar and other criminal defense representation. He is a partner in the Chicago office of Reed Smith LLP. Prior to joining Reed Smith, Mr. Ellis served in several leadership roles as partner in the Chicago office of DLA Piper LLP (US). Mr. Ellis also served as a judicial law clerk for the Hon. Algenon L. Marbley in the U.S. District Court for the Southern District of Ohio. Mr. Ellis commits a significant amount of his time to civic and charitable boards as well as to various pro bono activities.

Anita Alvarez, Vice-Chair

Anita Alvarez was sworn in as Cook County's first female and first Hispanic state's attorney in 2008. Ms. Alvarez began her career in the Cook County State's Attorney's Office in 1986 and steadily worked her way up through the ranks, handling hundreds of felony cases ranging from homicide, narcotics, armed robbery, criminal sexual assaults, and domestic violence. She has argued before the U.S. Supreme Court and tried more than 50 felony jury trials. Prior to her election as state's attorney, Ms. Alvarez served as chief deputy state's attorney, chief of staff to the state's attorney, chief of the Special Prosecutions Bureau, deputy chief of the Narcotics Bureau, and supervisor of the Public Integrity Unit. She also spent more than three years in the Gang Crimes Unit where she prosecuted gang-related homicides. Ms. Alvarez is a past president of the Chicago Bar Association.

Dorothy Brown

Dorothy Brown was first elected Cook County Circuit Clerk in 2000, becoming the first African American to hold the position. She was re-elected in 2004, 2008, and 2012. Ms. Brown holds a master's in business administration, a juris doctorate, and is a certified public accountant. As the official keeper of records for all judicial matters brought into one of the largest unified court systems in the world, Ms. Brown manages an annual operating budget of more than \$100 million and a workforce of more than 2,300 employees.

Richard H. Calica

Richard H. Calica was named director of the Department of Children and Family Services by Gov. Pat Quinn in December 2011. Mr. Calica a national authority in child welfare and licensed clinical social worker with broad expertise in risk assessment and child safety, family preservation and support. Mr. Calica is a lifelong social worker with extensive leadership experience in serving children and families throughout the state. He has consulted nationally and internationally with social workers, attorneys, judges, and administrators of county and state child welfare systems on issues related to child maltreatment and protection. Mr. Calica is a graduate of the University of Chicago School of Social Service Administration.

Abishi C. Cunningham

Abishi C. Cunningham was named Cook County Public Defender in April 2009. Prior to becoming chief public defender, he was a Cook County Circuit Court Judge from 1986 to 2009. As a judge, he presided over thousands of bench trials and hundreds of jury trials, in both criminal and civil cases. His last assignment was to the Law Division, where he presided over civil jury trials in areas that included personal injury/wrongful death, motor vehicle injury, medical malpractice, product liability, and commercial litigation.

Judge Cunningham served as legal advisor to the State Superintendent of Public Instruction from 1972 to 1973, when he left to join the Cook County State's Attorney's Office as a felony trial assistant and then as chief of the Vertical Prosecutions Unit. After a period in private practice as a litigator in criminal and civil defense, Judge Cunningham rejoined the Office of the Cook County State's Attorney, where he supervised 40 assistant state's attorneys responsible for prosecuting all criminal misdemeanor and quasi-criminal cases in Chicago, as well as advising the office on legislative issues. He left this position to join the bench in 1986. Judge Cunningham is a member of the American Bar Association, National Bar Association, Cook County Bar Association, Chicago Bar Association, Illinois Public Defender Association, and the National Legal Aid and Defender Association. He graduated from Fisk University in 1969 and from Northwestern University School of Law in 1972.

Thomas J. Dart

Tom Dart was sworn in as the 52nd Cook County sheriff in December 2006. Mr. Dart began his career in public service as an assistant state's attorney in Cook County. In 1992, Mr. Dart won a seat in the Illinois House, where he sponsored Mayor Daley's Safe Neighborhoods Act and authored several state laws designed to crack down on child sex offenders, including a statute that targeted child predators that use the Internet to lure young victims. Mr. Dart also wrote the Sexually Violent Predators Commitment Act, enabling judges to detain sexual predators in state mental health facilities if they believe the offender is likely to commit new sex crimes. Mr. Dart joined the Cook County Sheriff's Office in 2003, where he served as chief of staff to former Cook County Sheriff Michael F. Sheahan.

Patrick Delfino

Patrick Delfino was appointed director of the Office of the State's Attorneys Appellate Prosecutor in December 2008. Mr. Delfino is a graduate of the University of Notre Dame Law School and is an experienced trial and appellate attorney. Before joining the appellate prosecutor's office as assistant director, Mr. Delfino served as a drug attorney and court specialist with the Illinois Law Enforcement Commission and as the Cook County State's Attorney's Office Director of Planning and Special Projects. Mr. Delfino has taught both at college and law school, and he is a member of the Sex Offender Management Board and the Children's Justice Task Force of the Department of Children and Family Services. Mr. Delfino also serves as executive director of the Illinois State's Attorneys Association.

William Fitzpatrick

William T. Fitzpatrick is chief of the Glenview Police Department, a post he has held since 2001. Prior to joining the Glenview Police Department, Mr. Fitzpatrick served as chief of police in Delavan, Wis., from 1997 to 2001. He was a member of the Rockford Illinois Police Department for 27 years, the last 12 as chief, after rising through the ranks as a patrolman, detective, sergeant, and lieutenant. Mr. Fitzpatrick has served in all facets of police work and has received numerous awards. He holds a bachelor's degree in education from Northern Illinois University, and a master's degree in criminology from the University of Keele in Staffordshire, England, where he was a Rotary Scholar.

S.A. Godinez

S.A. Godinez is director of the Illinois Department of Corrections. Prior to his appointment in May 2011, Mr. Godinez served as executive director of the Cook County Department of Corrections, a position he had held since June 2006. Mr. Godinez began his correctional career as a re-entry counselor with IDOC in 1973 and was promoted through the ranks in the agency's Juvenile Division as a parole counselor, assessment counselor, and assessment unit administrator. In 1981, he was appointed assistant warden of programs at Stateville Correctional Center and later became assistant warden of operations there until 1989 when he left to serve as warden of the newly opened super-maximum prison in Ely, Nev. Mr. Godinez returned to Illinois in September 1991 as warden at Stateville Correctional Center. In February 1995, he joined Michigan Department of Corrections as deputy director of administration and programs where he served until August 1997. He later accepted the appointment as facility administrator with Wackenhut Corrections Corporation with assignments in various locations, including Puerto Rico and Pennsylvania. Mr. Godinez later became administrator of Juvenile Field Services for IDOC in 1998, but rejoined Wackenhut Corrections Corporation in 1999 with assignments in Louisiana and Florida. In November 2003, he was appointed as chief of operations for IDOC and given additional responsibilities as chief of staff in 2005. Mr. Godinez also has participated in professional associations related to anti-violence and corrections policy nationwide. Mr. Godinez received a bachelor's degree in criminal justice from the University of Illinois-Chicago in 1973 and a master's degree in corrections from Chicago State University in 1978.

Felix M. Gonzalez

Felix M. Gonzalez is an attorney in private practice representing business clients. Mr. Gonzalez is a past board member of the Hispanic Lawyers Association of Illinois and immediate past president of the Hispanic Lawyers Association of Illinois Charities. He serves on not-for-profit boards which provide scholarships to financially disadvantaged students and mental health and substance abuse counseling. He also is the Iroquois Area District Chair for the Boy Scouts of America. Mr. Gonzalez received both a bachelor's degree in philosophy and a juris doctorate at the University of Illinois.

Hiram Grau

Hiram Grau was appointed director of the Illinois State Police in April 2011. As director, he oversees a staff of 3,200 with four major divisions, including the third largest crime laboratory system in the world, and an annual agency budget of approximately \$404 million. Prior to his appointment as director, Mr. Grau served as deputy chief of investigations for the Cook County State's Attorney's Office. In that position, he partnered with other law enforcement entities to ensure public safety in Cook County. Prior to that, Mr. Grau served 27 years in the Chicago Police Department, working his way from beat cop to deputy superintendent for the Bureau of Investigative Services. In addition to receiving numerous law enforcement commendations and management training certifications, Mr. Grau is a decorated Vietnam War Veteran. In 2003, he earned his master's in business administration from St. Xavier University.

John Harvey

John Harvey is a program development and grant consultant for Chestnut Health Systems, Inc., a large, not-for-profit mental health and substance abuse treatment agency. He has served in that role for 15 years. Prior to that, Mr. Harvey worked for Madison County government for 12 years, in juvenile detention and probation, and for the Community Mental Health Board and county state's attorney. Mr. Harvey has experience in developing specialized services for offenders, and working in collaborations addressing child abuse, domestic violence, reentry services for offenders, homelessness, and mental illness. He developed the first two statewide trainings for juvenile detention administrators in Illinois, and wrote several widely distributed position papers on juvenile detention reform. Mr. Harvey has served on the Board of the Juvenile Justice Initiative since 2003, and worked as a consultant for the Governor's Interagency Task Force on Residential Care for Children and the Madison County Child and Adolescent Local Area Network. He has assisted a variety of community organizations develop resources and funding for the arts, environmental education, and social justice.

LaMar Hasbrouck

LaMar Hasbrouck, M.D. was appointed director of Illinois Department of Public Health by Gov. Pat Quinn in April 2012. Prior to his appointment, Dr. Hasbrouck, a board certified medical internist, served from 2009 to 2012 as the director of the Ulster

County Department of Public Health in New York, and from 2011 to 2012 as director and commissioner of the Ulster County Department of Mental Health. Dr. Hasbrouck's record of public health service began in 1998 with the U.S. Centers for Disease Control and Prevention (CDC) as a member of the Epidemic Intelligence Service. During his 11 years with CDC, Dr. Hasbrouck worked in Bangladesh, Brazil, Guyana, Haiti, Jamaica, Namibia, Nigeria, Rwanda, Switzerland, Uganda, Vietnam, and Zimbabwe. He was actively engaged in two of the largest global health initiatives in history: polio eradication, where he served as a consultant for the World Health Organization to Bangladesh, and the U.S. President's Emergency Plan for AIDS Relief, serving for two years in a diplomatic appointment as the director and chief of party for the CDC in Guyana, South America.

Dr. Hasbrouck is a graduate of the University of California-Berkeley, where he received a master's degree in public health, and the Charles Drew/UCLA Medical Education Program. Dr. Hasbrouck has published numerous scientific articles, reports and book chapters, including co-authorship of the 2001 U.S. Surgeon General's Report on Youth Violence. He also is the recipient of several distinguished honors, including the U.S. Department of Health and Human Services (HHS) Secretary's Primary Health Care Policy Fellowship, the HHS Secretary's Award for Distinguished Service, and the Meritorious Honor Award from the U.S. Department of State.

Lisa Jacobs

Lisa Jacobs is Illinois program manager for the Models for Change Initiative, funded by the John D. and Catherine T. MacArthur Foundation and managed by Loyola University School of Law. In this capacity, Ms. Jacobs works with juvenile justice practitioners, advocates, and policymakers to implement positive changes in the Illinois juvenile and criminal justice systems. Ms. Jacobs is an attorney with more than 15 years of experience in court and justice system administration. Prior to joining the Models for Change Initiative, she was director of judicial education for the Illinois Supreme Court as an assistant director with the Administrative Office of the Illinois Courts. There, she worked closely with the Supreme Court, the Judicial Conference Committee on Judicial Education, and judges from across Illinois to develop and implement judicial education policy and programs on a variety of legal topics ranging from death penalty matters to complex civil litigation. Ms.

Jacobs also has served in an executive capacity and as a court administrator for the Office of the Chief Judge in the Circuit Court of Cook County. She was also the Juvenile Justice Specialist for the state of Illinois, charged with staffing the Illinois Juvenile Justice Commission. Ms. Jacobs was appointed to the Juvenile Justice Commission in 2010 and serves as vice-chair of the commission's Planning and Grants Committee.

Lisa Madigan

Lisa Madigan was elected the state's first female attorney general in 2002 and was re-elected to the post in 2006 and 2010. Since becoming attorney general, Ms. Madigan has dedicated the energy and resources of her office to protecting women and children from sexual predators on the streets and on the Internet. She also has implemented a series of proactive law enforcement strategies to combat the spread of methamphetamine throughout the state. Ms. Madigan is a leader in the public's fight for open and accessible government, and she also has been credited with restoring integrity to Illinois' gambling industry. Prior to becoming attorney general, Ms. Madigan served as a state senator representing the 17th District on Chicago's North Side.

Garry F. McCarthy

Garry F. McCarthy was named Chicago Police Department Superintendent in June 2011. In this role, Superintendent McCarthy employs crime fighting and prevention strategies that reduced violence and crime under his leadership in New York City, N.Y., and Newark, N.J. Superintendent McCarthy began his career in law enforcement with the New York Police Department (NYPD) in 1981, and steadily rose through the ranks. He was named NYPD Deputy Commissioner of Operations in 2000 and served as the principal crime strategist for the department. Under his leadership, NYPD saw a significant decline in homicides. That steady decline culminated in 2005 with its lowest murder rate since 1963. His success ultimately led him to a new assignment at the 70th precinct, where he helped diminish a double-digit crime rate as well as decrease the number of complaints against police officers. These accomplishments garnered the praise of the U.S. Attorney's Office. In the fall of 2006, Superintendent McCarthy was chosen to lead the Newark Police Department, which achieved a 9 percent reduction in murder within his first year. Along with this reduction, the Newark Police Department experienced additional

improvements in efficiency and professionalism, including a 17 percent increase in arrests and diminished complaints against police officers.

Kevin T. McClain

An attorney with 30 years experience in both private law practice and public service, Kevin T. McClain was appointed director of the Illinois Law Enforcement Training and Standards Board in August 2009. Mr. McClain served as the Board's general counsel from 1982 to 2004, and was general counsel for the Illinois Emergency Management Agency (IEMA) from 2004 to 2009. As general counsel for IEMA, Mr. McClain drafted public safety legislation and testified before Illinois House and Senate committees, and provided administrative direction and advice to the agency director and to bureau chiefs, including those of the Illinois Terrorism Task Force and the State Emergency Response Center.

While chief legal counsel and advisor to the Illinois Law Enforcement Training and Standards Board, Mr. McClain wrote board legislation and rules, appeared on behalf of the Board before various legislative committees, and participated in development and implementation of the Mobile Team Training Program. Mr. McClain is a member of the Illinois Terrorism Task Force and International Association of Directors of Law Enforcement Standards and Training. Mr. McClain graduated with a juris doctorate from The John Marshall Law School in 1980.

John Maki

John Maki is executive director of the John Howard Association of Illinois (JHA). JHA is Illinois' oldest prison reform organization, and the only independent group that monitors the state's juvenile and adult prison systems. Mr. Maki is a lawyer and has represented wrongfully convicted people before the Illinois Prisoner Review Board in clemency proceedings. Before he began working for JHA, Mr. Maki was a new media consultant and organizer for several Midwest-based innocence projects, including the Center on Wrongful Convictions at Northwestern University School of Law. He also has worked in homeless prevention as a community organizer, a media consultant, and as a teacher at the high school and college levels. Mr. Maki received a bachelor's degree in philosophy and English from Whittier College, a master's degree in literature from the University of Chicago, and a juris doctorate from Loyola University Chicago School of Law.

Michael J. Pelletier

Michael J. Pelletier was named director of the Office of the State Appellate Defender in December 2007. Mr. Pelletier has spent his entire legal career with the Office of the State Appellate Defender, beginning as an assistant appellate defender in Ottawa in 1976. Prior to his appointment as director, Mr. Pelletier served for 20 years as the deputy defender and chief administrator in the First District Office in Chicago overseeing a staff of 120. Mr. Pelletier received a bachelor's degree in political science from Northern Illinois University in 1972 and a juris doctorate from The John Marshall Law School in 1976. He is a member of the Illinois State Bar Association and its Criminal Justice Section. He is also a member of the Appellate Lawyers Association and a former member of its board of directors, and he is a member of the National Legal Aid and Defender Association. He is a commissioner on the Criminal Law Edit Align and Rewrite (CLEAR) Commission.

Patrick B. Perez

Patrick B. Perez was sworn in as Kane County Sheriff in 2006. After beginning his law enforcement career in 1992 with the Kane County Sheriffs Department, Sheriff Perez worked his way up the ranks, becoming sergeant while serving as supervisor of the Special Operations Unit. He also was a member of the Gang and Drug Enforcement Unit, supervisor of the Patrol Division, supervisor of the Investigations Division, supervisor of the Civil Division, and a member of the Illinois Attorney General's Gang Task Force. In 1998, Sheriff Perez was nominated for the Kane County Officer of the Year award. He is the recipient of two Meritorious Service Awards and a Leadership Award. In 2008, Sheriff Perez received the Hector Jordan Lifetime Achievement Award. He also participated in a 1,250-pound marijuana seizure, made jointly by the Kane County Sheriffs Department and the FBI, the largest in department history.

Toni Preckwinkle

Toni Preckwinkle was elected Cook County Board President in November 2010. Ms. Preckwinkle has been a dedicated community leader for more than two decades, providing independent and progressive leadership founded on experience, coalition building, and a commitment to practical results. Prior to joining the Cook County Board, Ms. Preckwinkle served as alderman of Chicago's 4th Ward for 19 years. In that time, Ms. Preckwinkle built a professional and

responsive ward organization and worked tirelessly to meet the diverse needs of her constituents. She fought for greater funding for education and affordable housing in her ward. She also sponsored the living wage and affordable housing ordinances, and was a lead plaintiff in a lawsuit to institute a more racially equitable map of Chicago's ward boundaries. Prior to joining Chicago City Council, Ms. Preckwinkle taught high school history in Chicago for 10 years. During that time, she ran a non-profit organization aimed at neighborhood improvement. Ms. Preckwinkle was recipient of the IVI-IPO Best Alderman Award in 1993, 1995, 1997, 1999, 2005 and 2008, and the 1997 and 2009 Leon Despres Awards. She holds a bachelor's degree and a master's degree from the University of Chicago.

Randall Rosenbaum

Randall Rosenbaum is the Champaign County Public Defender. Mr. Rosenbaum has spent the majority of his career as a public defender, starting in New York City at the Legal Aid Society in 1991. He joined the Champaign County Public Defender's Office in 1996 and was appointed chief public defender in 1998. He has been an active leader in numerous county and statewide organizations. He is past president of the Illinois Public Defender's Association, past president of the Champaign County Bar Association, past chair of the Illinois State Bar Association's Criminal Justice Section Council, and a member of the Champaign County Juvenile Delinquency Prevention Board and Illinois Juvenile Defense Assessment Project. He serves as a hearing's board officer for the Attorney Registration and Disciplinary Commission. He also teaches trial advocacy as an adjunct professor at the University of Illinois College of Law. Mr. Rosenbaum graduated from Northwestern University and the University of Illinois College of Law.

Angela Rudolph

Angela Rudolph is president of Think. Plan. Do. Consulting, a firm dedicated to providing services that create successful partnerships by delivering expertise on both issues and process, strategic communications, grassroots and government relations, policy analysis and social media strategy development. She is also policy director at Education Reform Now-Illinois/Democrats for Education Reform-Illinois. Prior to those positions, Ms. Rudolph was program officer with the Joyce Foundation Education Program spearheading its portfolio targeting

grant making to support quality charter schools, early childhood education and the engagement of teachers, students, parents and community in education reform. Ms. Rudolph also served as special assistant to former Chicago Mayor Richard M. Daley. In that role, she was responsible for performing analytical research on ex-offender and gun control policy issues and spearheading outreach to community-based groups and individuals to encourage involvement in the policy process. Ms. Rudolph began her professional career at the North Central Regional Educational Laboratory working as a policy and program associate with the Ounce of Prevention Fund Policy and Advocacy Division. Ms. Rudolph is vice-chair of the Illinois Charter School Commission and a member of the Illinois Department of Corrections Advisory Board. She holds a master's degree in education policy from the University of Illinois at Urbana-Champaign and a bachelor's degree in American history from Union College.

Committees

The Authority has both ad hoc and standing committees. The Authority chairman appoints committee chairs and vice chairs. Non-Authority members may be appointed to *ad hoc* committees as long as the committees include at least one Authority member. Standing committees help direct and review much of the agency's work. With the exception of the Appeals Committee, standing committees consist of at least seven members of the Authority.

Ad Hoc Victim Services Committee

The Ad Hoc Victim Services Committee defines priorities for use of S.T.O.P. Violence Against Women Act and Victim of Crime Act funds. The criminal justice and victim services professionals and victim advocates who comprise the committee review crime and victimization trend data, information on current efforts, and data from funded programs to ensure a minimum provision of basic services to all victims of crime and prioritize funding for direct services.

Appeals Committee

The Appeals Committee decides administrative appeals by citizens who have challenged the accuracy and completeness of their state criminal history records.

Budget Committee

The Budget Committee reviews the Authority's budget. It receives fiscal reports about the funds made available to further the purposes of the Illinois Criminal Justice Information Act and oversees grant award procedures of the Authority. In addition, committee members may present testimony and advocate for the Authority's budget request before the governor and General Assembly.

Information Systems Committee

The Information Systems Committee reviews and monitors the development and operation of comprehensive information systems in Illinois. The committee also oversees the annual and periodic audits of the state central repositories of criminal history records, as provided in the Illinois Criminal Justice Information Act, and evaluates programs and makes recommendations regarding proper reporting of dispositions to the Illinois State Police by state's

attorneys and clerks of the circuit courts. In addition, the committee reviews integration efforts to ensure that they fall within the broader goals of statewide justice information systems coordination.

Legislation and Regulations Committee

This committee reviews criminal justice-related legislation and regulations proposed by Authority staff and other agencies. It also provides testimony and makes recommendations to the governor and General Assembly, as provided in the Illinois Criminal Justice Information Act. The committee studies and recommends regulations to ensure the privacy and security of criminal history record information as required by law.

Planning and Research Committee

The Planning and Research Committee reviews the research projects, proposals, and programs of the Authority's Research & Analysis Unit, and evaluates and correlates state and local programs, as provided in the Illinois Criminal Justice Information Act. The Planning and Research Committee also helps determine research and evaluation priorities that meet the needs of decision-makers. In addition, the committee oversees the Institutional Review Board to ensure the protection of human research subjects and compliance with applicable laws and regulations. The board reviews all research involving human subjects that is conducted, sponsored, or supported by the Authority.

Staff organization

While Authority members set priorities for the agency and monitor their progress, the day-to-day work is carried out by Authority staff, who come from a variety of backgrounds and disciplines.

At the end of the fiscal year 2012, the Authority had 64 employees, with 60 on payroll and 4 contractual staff members. There were 5.5 staff vacancies. To maintain diversity, the agency aggressively pursues equal employment opportunities. As of June 30, 2012, the Authority's workforce was 58 percent female, 42 percent male, 65 percent white, 17 percent African American, 10 percent Asian, and 8 percent Hispanic.

Office of the Executive Director

The agency's executive director, who is appointed by the governor with the advice and consent of the Illinois Senate, is responsible for the direction and administration of Authority staff. The executive director determines staff priorities and administers resources and programs needed to meet agency goals. The executive director also serves as liaison to the governor, General Assembly, Authority members, and state and national criminal justice officials and organizations.

Office of General Counsel

The general counsel provides legal services to the Authority, particularly in areas such as access to criminal justice information, privacy and security concerns, the Illinois Freedom of Information Act, and interagency funding agreements. The office directs the Authority's legislative program, and the general counsel serves as secretary to the Authority and the Motor Vehicle Theft Prevention Council. The general counsel also acts as chief of staff and, in the absence of the executive director, provides leadership, direction, and policymaking decisions for the Authority. The Office of General Counsel also oversees the Office of Public Information.

Office of Human Resources

The Office of Human Resources develops and oversees compliance with mandated programs and implements personnel policies. It also coordinates a variety of employee training initiatives, and administers employee benefit programs, compliance with the

Awards and accolades

The Authority was honored with two awards in FY12 from the Justice Research & Analysis Association (JRSA).

JRSA's Philip Hoke National Publication Award for Excellence in Research & Policy Analysis was awarded for Authority *Research Report*, "Examining Illinois Probationer Characteristics and Outcomes."

The Authority also received JRSA's Statistical Analysis Center Web Site award for Exemplary Criminal Justice Web Site.

Both awards were received in October 2011.

In addition, Authority Grant Specialist Lajuana Murphy received a *Certificate of Recognition* in October 2011 from the Chicago Department of Family & Support Services for technical assistance she provided to its Full Circle program.

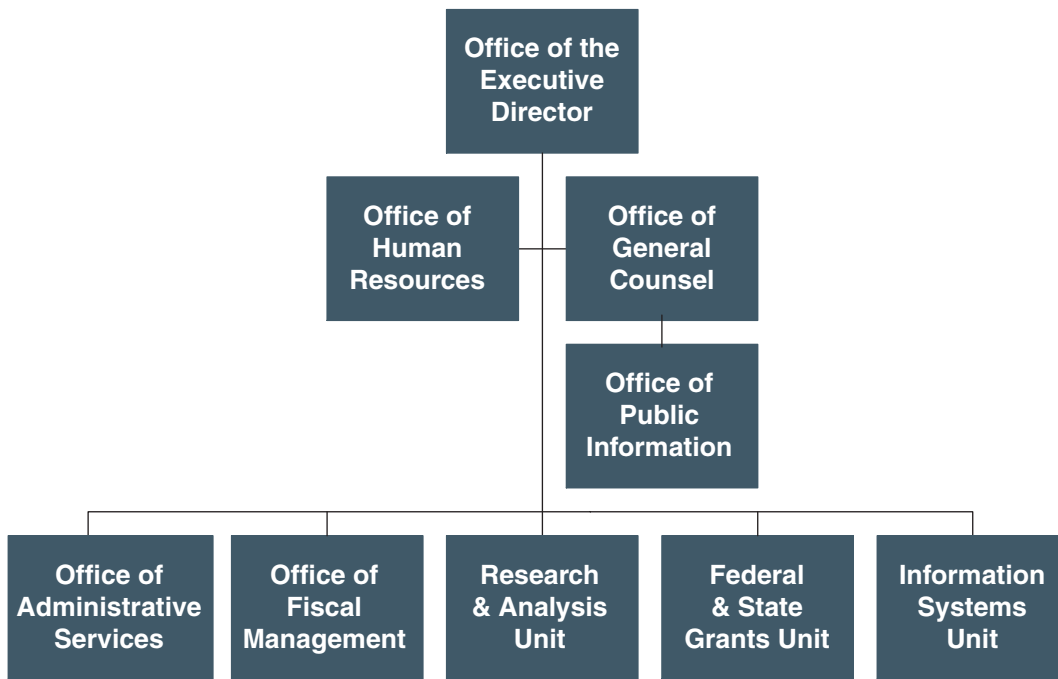

Americans with Disabilities Act, and the agency's annual Affirmative Action Plan.

Office of Administrative Services

The Office of Administrative Services is responsible for office security and the day-to-day general operations of the agency. This includes procurement of office equipment and supplies, telecommunications, inventory management, printing, and arrangements for meetings and travel.

Office of Fiscal Management

The Office of Fiscal Management formulates the Authority's annual budget, administers its financial transactions, and prepares mandated financial reports for the Office of the Comptroller, the U.S. Department of Justice, and other funding agencies. The office also oversees compliance with the Business Enterprise Program and the Fiscal Control and Internal Auditing Act.

Office of Public Information

The Office of Public Information manages media relations and external communications for the Authority. It oversees the editing, design, and production of research reports, brochures, guidebooks, the annual report, and other documents published by the Authority.

Federal & State Grants Unit

The Federal & State Grants Unit oversees federal and state assistance programs administered by the Authority, including the American Recovery and Reinvestment Act, Edward Byrne Memorial Justice Assistance Grants, Victims of Crime Act, and Violence Against Women Act, as well as the state-funded Motor Vehicle Theft Prevention Act. The unit is responsible for developing program strategies, recommending programs to be funded, and monitoring grant awards.

Research & Analysis Unit

Also known as the Illinois Statistical Analysis Center, the Research & Analysis Unit conducts research that supports criminal justice policy and program development. The unit serves as an information clearinghouse for criminal justice statistics and research. In addition, it collects, analyzes, and disseminates information on the extent and nature of crime and crime trends and the causes and prevention of crime. The unit also conducts evaluations of criminal justice programs. The Research & Analysis Unit has taken a

leadership role in convening policymakers and practitioners to coordinate and improve system response to crime and to promote the use of evidence-based and promising practices at the state and local level. The unit helps staff statutorily created criminal justice initiatives. It also develops statistical methodologies and provides statistical advice and interpretation to support criminal justice decision-making and information needs.

Information Systems Unit

The Information Systems Unit develops and manages the Authority’s computerized information systems, including the Computerized Lab Reporting Information System, InfoNet, and the Motor Vehicle Automated Reporting System. The unit is responsible for website and software development, systems operations, and technical support. The unit also provides technical support for in-house systems and computer users.

Policy and planning

The Authority led and participated in a variety of policy and planning initiatives during the fiscal year to improve the administration of criminal justice in Illinois.

Adult Redeploy Illinois

The Adult Redeploy Illinois program was created by the Crime Reduction Act of 2009 (Public Act 96-0761) to increase alternatives to incarceration for non-violent offenders. Adult Redeploy Illinois (ARI) identifies and diverts high-risk, non-violent offenders from the minimum- and medium-security prisons, which house approximately 80 percent of the state's prisoners and face the most severe overcrowding.

ARI provides funding to local jurisdictions (counties, judicial circuits) to plan and implement cost-effective diversion programs. In exchange for funding, jurisdictions agree to reduce by 25 percent the number of IDOC commitments from a defined target population of prison-bound, non-violent offenders.

In the aggregate, the ARI sites already have had a demonstrable impact on the criminal justice system. Since 2011, the 10 sites in full implementation have diverted 838 non-violent offenders, or the equivalent of two cellblocks of a prison. Of all of those enrolled since ARI began, 91 percent have avoided imprisonment. Locally designed ARI interventions by law must utilize evidence-based practices. The evidence-based practices utilized by the current sites have been shown by research to reduce recidivism by as much as 20 percent.

ARI also demonstrates significant cost savings while reducing pressure on the system and increasing public safety. An average ARI intervention costs \$2,200 per participant per year compared to the annual per capita incarceration cost of \$22,000. Based on the 838 offenders diverted, this represents nearly \$13.5 million in potential corrections savings.

Data collection and program evaluation are critical elements of ARI. Using a data collection system specifically designed for ARI, sites submit data on a regular basis that are reviewed by ICJIA researchers. Data are analyzed to evaluate sites' progress and measure performance. ARI program staff offer technical assistance for ongoing improvement and to address any implementation issues.

Boards and commissions

The Authority houses, staffs, and/or participates in the following advisory councils, boards, and commissions:

- Adult Redeploy Illinois Oversight Board
- Alcoholism and Other Drug Abuse and Dependency Act Advisory Council
- Commission to Study Disproportionate Justice Impact Act
- Criminal History Record Checks Task Force
- Illinois Integrated Justice Information System Implementation Board
- Illinois Juvenile Justice Commission
- Illinois Motor Vehicle Theft Prevention Council
- Illinois Sentencing Policy Advisory Council
- Illinois Violence Prevention Authority
- Law Enforcement Agencies Data System (LEADS) Advisory Policy Board
- Task Force on Inventorying Employment Restrictions Act
- Racial and Ethnic Impact Research Task Force
- Redeploy Illinois Oversight Board (Juvenile)
- Sex Offender Management Board

Death Penalty Abolition Fund

In FY12, the Authority initiated planning for administration of the Death Penalty Abolition Fund. Public Act 725 ILCS 5/119(b) charges the Authority with administering the Death Penalty Abolition Fund. This fund supports programs that provide services for families of victims of homicide and training of law enforcement personnel.

In the area of expending funds for services of families of homicide victims, staff facilitated collaboration between stakeholders key to program development and initiated research on services available in Illinois and across the country. During the fiscal year, ICJIA hosted representatives of the Cleveland, Ohio, Police Department and Cuyahoga County, Ohio, Mental Health Department for a presentation to stakeholders on the services they are providing to survivors of homicide victims. A request for proposals is in development to solicit service providers to aid survivors of homicide victims in Illinois.

Staff has also engaged collaboration with the Illinois Law Enforcement Training and Standards

Board for the development of training for law enforcement in homicide investigations. This collaboration sparked two regionally-based roundtable discussions between our agencies and law enforcement representatives on how to best proceed with this training opportunity.

Also in FY12, the Authority developed an Illinois Survivors of Homicide website with updates on DPA program development and information on victims' rights, compensation, and resources. This site is available at www.icjia.state.il.us/victimsaid.

Community Violence Prevention Program

Planning was initiated in FY12 for Community Violence Prevention Program grant funding. A collaborative effort of public and private agencies, this program offers pro-social opportunities to youth in underserved communities throughout the Chicago metropolitan area. Program components work to reduce deviant behaviors associated with risk factors, strengthen social skills, and increase parent leadership within the communities.

ICJIA was charged with planning and grant administration for the program. Governor Pat Quinn budgeted \$20 million in grants to support these efforts in 23 communities. Grants made through this program must be spent by October 31, 2013.

Program goals are to:

- 1) Reduce risk factors and promote protective factors associated with violence through provision of jobs for community youth, adults, and professionals that promote community wellness and healthy behaviors, youth and parent leadership, and caring community environments.
- 2) Provide community-based services for youth and young adults including social, emotional and job skill development; and mentoring.
- 3) Building parent leadership within neighborhoods to create a foundation for stronger, healthier communities.

Program components include a summer Youth Employment Program that provides job training to young people and wage subsidies to employers who hire them, a Parent Program to build parent leadership and stronger families, and a Reentry Program offering services to ex-offenders returning to their community after a period of imprisonment.

Sentencing Policy Advisory Council

The Sentencing Policy Advisory Council (SPAC), created by Illinois Public Act 96-0711, draws on criminal justice information collected by other agencies to explore sentencing issues and practices and how they impact the criminal justice system as a whole. SPAC consists of a nonpartisan group of 18 key stakeholders from across state and local criminal justice systems, including legislators, retired judges, prosecutors, defense attorneys, corrections and administrators of the court officials, law enforcement, victims rights advocates, and academics. ICJIA, the Administrative Office of the Illinois Courts, and Illinois Department of Corrections provide data to the Council.

SPAC is charged with objectively informing sentencing and corrections policy decisions. To perform this function, the Council is responsible for collecting and analyzing data, conducting correctional population projections based on simulation models, and producing fiscal impact statements for the legislature. In addition, in the realm of criminal sentencing, SPAC is charged with ensuring that effective evidence-based practices are used in policy decisions and within the criminal justice system.

Motor Vehicle Theft Prevention Council

With the support of the insurance industry, the General Assembly established the Illinois Motor Vehicle Theft Prevention Council in 1991 to combat vehicle theft, insurance fraud, and related crimes. The 11-member Council is made up of law enforcement and insurance industry officials. Day-to-day work of the Council is carried out by ICJIA staff.

The Council’s responsibilities, as listed in the Illinois Motor Vehicle Theft Prevention Act, include assessing the scope of motor vehicle theft, particularly in those areas of the state with the highest theft rates, allocating funds made available for the purpose of the act, and developing and implementing strategies to combat motor vehicle theft.

The Act requires that certain insurance companies pay into a special trust fund in the state treasury. Insurance companies licensed to write private passenger comprehensive coverage are required to pay \$1 into the fund annually for each vehicle insured in the previous year. Collected and administered by the Council, contributions to the fund totaled \$6.4 million in 2012.

The Council allocates grants supporting programs such as special auto theft task forces and investigative teams, prosecutions, statewide audits

Council highlights: 1991 to FY12	
Investigations initiated	34,812
Audits of vehicle businesses.....	63,511
Arrests made	16,685
Convictions obtained	6,619
Vehicles recovered	38,543
Value of recoveries	\$300 million

of salvage yards, public education, officer training, and data analysis. The Council funded 11 programs in FY12.

Vehicle thefts down 64 percent

Reports of motor vehicle theft in Illinois dropped 64 percent between 1991, when the Council was created, and calendar year 2009. The 26,917 vehicles reported stolen in 2009 represented 6,008 fewer stolen than in the previous year.

For more information or a copy of the Motor Vehicle Theft Prevention Council Annual Report, call (312) 793-8550, or visit the MVTPC website at www.icjia.state.il.us/mv.

Motor Vehicle Theft Prevention Council grants

The Council awarded MVTPC grant funds to the following programs for calendar year 2012. Funds distributed during the fiscal year may differ from the total award received for each program.

Program	Implementing agency	State funds awarded
Greater Metro Area Auto Theft Task Force	Lemont Police Department	\$752,515
Insurance Vehicle Expense Fund	National Insurance Crime Bureau	\$41,590
Metro East Auto Theft Task Force	Belleville Police Department	\$752,810
Motor Vehicle Theft Intelligence Clearinghouse	Illinois State Police	\$277,859
Motor vehicle theft prevention training	Illinois State Police	\$51,964
Motor Vehicle Theft Prosecution Unit	Cook County State’s Attorney’s Office	\$802,644
Northeast Metro Auto Theft Task Force	Illinois State Police	\$536,991
Northern Illinois Auto Theft Task Force	Winnebago County Sheriff’s Department	\$621,595
Special audit teams	Illinois Secretary of State Police Department	\$1,382,036
State and Local Auto Theft Enforcement	Peoria Police Department	\$405,113
Tri-County Auto Theft Task Force	Joliet Police Department	\$841,434

Federal and state grants

The Federal & State Grants Unit (FSGU) administers grant programs overseen by the ICJIA. Authorized under the Authority's power to receive and disburse grant money, this responsibility includes assuring compliance with federal and state regulations.

The Authority began administering federal grants in 1985, following the passage of the Justice Assistance Act and the Victims of Crime Act by Congress. In FY12, 18 staff members processed 296 individual grants under one state and 12 federal programs, with nearly \$55 million in designations for the fiscal year.

FSGU staff perform a variety of functions in developing, implementing, and monitoring state and local programs. These tasks include planning, program development, technical assistance, coordination, and administration.

American Recovery and Reinvestment Act

Passed in response to the nation's economic crisis, the American Recovery and Reinvestment Act (ARRA) of 2009 was designed to create new jobs and save existing ones, spur economic activity and invest in long-term economic growth, and foster unprecedented levels of accountability and transparency in government spending.

With the Act, Illinois received \$50.2 million to administer the ARRA Edward Byrne Memorial Justice Assistance Grant Program (JAG), \$1.3 million to administer the ARRA Victims of Crime Act (VOCA), and \$5 million to administer the ARRA Violence Against Women Act (VAWA). The Authority set funding priorities for these awards and developed program data reporting tools for agencies that received ARRA grants in order to meet the Act's strict reporting requirements.

The Authority designated almost \$2.6 million in ARRA JAG funding to 12 programs in FY12. See page 20 for a list of programs supported with ARRA JAG funding during the fiscal year.

Edward Byrne Memorial Justice Assistance Grants

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) was designed to streamline

justice funding and grant administration. The program blended funding for Edward Byrne Memorial State and Local Law Enforcement Assistance (also known as ADAA) and Local Law Enforcement Block Grant programs to provide agencies with the flexibility to prioritize and place justice funds where they are needed most.

JAG funds can be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice for any one or more of the following purpose areas:

- Law enforcement.
- Prosecution and court.
- Prevention and education.
- Corrections and community corrections.
- Drug treatment and enforcement programs.
- Planning, evaluation, and technology improvement.
- Crime victim and witness programs (other than compensation).

Priorities for these areas include:

Law enforcement

- Support programs which pursue violent and predatory criminals.
- Support efforts with law enforcement, prosecution, and probation to combat and disrupt illegal drug use, violent crime, and illegal gun and gang activity.
- Support programs which provide law enforcement agencies throughout the state with necessary means to prevent, deter, or investigate crime through staffing, training, special projects or equipment in order to improve public safety and quality of life.

Prosecution and court

- Support prosecution efforts that focus on violent and predatory criminals and drug offenders.
- Support programs which contribute to the effectiveness and efficiency of the criminal justice court system at state and county levels in all facets: the judiciary, clerks, prosecution, defense, probation, and victim services.

American Recovery and Reinvestment Act Justice Assistance Grants

The Authority made the following designations with American Recovery and Reinvestment Act funding to support the Justice Assistance Grant Program between July 1, 2011, and June 30, 2012.

Program	Agency	Federal funds designated
Ballistics	Chicago, City of	\$141,648
Correctional initiatives	Cook County	\$1,000,000
Correctional initiatives	Fulton County	\$121,350
Correctional initiatives	Madison County	\$250,000
Correctional initiatives	McDonough County	\$13,830
Correctional initiatives	McLean County	\$138,123
Correctional initiatives	Sangamon County	\$4,000
Correctional initiatives	Winnebago County	\$250,000
Criminal justice planning	Illinois Criminal Justice Information Authority	\$80,500
Evaluations	University of Illinois at Chicago	\$252,692
Improving operational effectiveness	Cook County	\$199,643
Information systems	Illinois State Police	\$112,000

Prevention and education

- Support proven or innovative prevention or intervention programs for juveniles and adults identified as being at risk for involvement or already involved with the criminal justice system to provide services aimed to mitigate risk factors that are recognized as contributing factors to violent crime, involvement in drugs, gangs, and guns, and other criminal behavior.

Corrections and community corrections

- Support juvenile and adult re-entry programs and programs that enhance jail or correctional facility security and safety.
- Support proven or innovative programs for those already involved in the criminal justice system, those incarcerated, or those on probation which are targeted to address recognized risk factors for recidivism by mitigating risk factors that contribute to criminal behavior.

Drug treatment and enforcement programs

- Support programs which combat and disrupt criminal drug networks and programs which provide substance abuse treatment.

Planning, evaluation, and technology improvement

- Support efforts to implement integrated justice information systems throughout the state to ensure that each component of the criminal justice system has access to timely, complete and

accurate information necessary to informed decision-making at each stage of the criminal justice process.

Crime victim and witness programs

- Restore state-use funds to victim services programs that have been cut out of the state's budget.

Illinois' federal fiscal year 2011 JAG award was \$9.5 million. In FY12, \$49.9 million in JAG funds were designated to 106 programs. See page 24 for a list of programs supported by JAG in FY12.

Juvenile Accountability Block Grants Program

Juvenile Accountability Block Grants (JABG) Program funding supports local efforts to reduce juvenile delinquency and crime, and hold young people, their families, and the juvenile justice system accountable for improving the quality of life in every community. Purpose areas include developing graduated sanctions and providing funding to train law enforcement and court personnel. Program requirements include establishing and maintaining restorative justice programs, hiring detention personnel, providing risk and needs assessment, and establishing a juvenile records system.

Illinois' federal fiscal year 2011 JABG award was \$1.3 million. In FY12, the Authority awarded more than \$2.7 million to 26 juvenile justice programs throughout Illinois.

Juvenile Accountability Block Grants

The Authority designated Juvenile Accountability Block Grants to the following programs between July 1, 2011, and June 30, 2012. Federal funds disbursed during the fiscal year may differ from the total designated to each program.

Program	Agency	Federal funds designated
Administration	Illinois Criminal Justice Information Authority	\$147,714
Assistant state's attorney, juvenile division	Peoria County	\$11,594
Balanced and restorative justice training	Governors State University	\$113,155
Community service program	Evanston, City of	\$42,000
Information sharing program	Franklin County	\$84,826
Juvenile accountability incentive block grants	Champaign County	\$12,257
Juvenile accountability incentive block grants	Chicago, City of	\$314,645
Juvenile accountability incentive block grants	DuPage County	\$56,421
Juvenile accountability incentive block grants	McHenry County	\$23,242
Juvenile accountability incentive block grants	McLean County	\$10,575
Juvenile accountability incentive block grants	St. Clair County	\$25,105
Juvenile assessment center	Winnebago County	\$27,856
Juvenile court services	Lake County	\$63,412
Juvenile court services	Peoria County	\$67,678
Juvenile Crime Prevention & Intervention Program	Will County	\$57,711
Kane County Juvenile Accountability Initiative	Kane County	\$47,408
Mediation program	Lake County	\$29,190
Parole readjustment program	Illinois Department of Juvenile Justice	\$227,580
Pre-employment program	Cook County	\$33,444
Pre-employment program	DuPage County	\$65,000
Pre-employment program	Lake County	\$85,000
Probation and court services	DuPage County	\$45,000
Project Reclaim	Cook County	\$1,019,724
Second Chance	Illinois Department of Human Services	\$84,375
Truancy court	Macon County	\$46,000
Youth supervision	Cook County	\$16,000

A minimum of 75 percent of the funds must be allocated to units of local government. Allocations are based on law enforcement expenditure data and the average annual number of Uniform Crime Report Part 1 violent crime arrests. JABG requires matching funds of 10 percent.

Paul Coverdell National Forensic Sciences Improvement Act

The Paul Coverdell National Forensic Sciences Improvement Act (NFSIA) authorizes funding to improve the quality, timeliness, and credibility of forensic science services for criminal justice purposes. NFSIA funding is directed to crime laboratories and medical examiners' offices based on population and crime statistics. The program permits funding for facilities, personnel, computerization, equipment, supplies, education, and training.

Illinois' federal fiscal year 2011 NFSIA award was \$791,358. In FY12, the Authority awarded \$609,972 to Illinois State Police for forensic science initiatives. ISP operates nine laboratories that provide

forensic services to almost 1,500 law enforcement agencies in Illinois.

ICJIA also designated \$83,395 to the Northern Illinois Crime Lab and \$83,395 to DuPage County for forensic science initiatives.

National Instant Criminal Background Check System Reporting Improvement Program

The purpose of the National Instant Criminal Background Check System (NICS) Reporting Improvement Program grant is to improve the records utilized by NICS by providing assistance to states to improve the completeness, automation, and transmittal of records to state and federal systems. These include criminal history records, records of felony convictions, warrants, records of protective orders, convictions for misdemeanors involving domestic violence and stalking, records of mental health adjudications, and others, which may disqualify an individual from possessing or receiving a firearm under federal law. Helping states to automate these records also reduces delays for law-abiding gun purchasers.

In federal fiscal year 2012, Illinois received \$1,650,000 for the NICS Reporting Improvement Program. The Authority designated this funding in FY12 to the Illinois State Police.

Residential Substance Abuse Treatment Program

The Residential Substance Abuse Treatment Program (RSAT) provides funding for treatment programs in a correctional setting and is available to the Illinois Department of Corrections (IDOC) and Illinois Department of Juvenile Justice (IDJJ). RSAT funds are used to implement residential, jail-based, and after-care programs.

RSAT provides formula grants to correctional agencies to implement treatment programs for prisoners housed in IDOC facilities. RSAT funding requires the following criteria be met for funding eligibility:

- Length of treatment must be six to 12 months.
- Offenders must receive treatment services in a residential setting away from the general inmate population.
- The primary focus of the program must be on the substance abuse problems of the inmate, but the program also must develop inmates' social, cognitive, behavioral, and vocational skills.

In addition, treatment is limited to offenders who are nearing the end of their incarceration so that they may be released upon completion of the substance abuse program.

Illinois received \$266,074 for RSAT in federal fiscal year 2012. In FY12, grant designations were made to IDJJ to support drug treatment programs at the Illinois Youth Centers in Harrisburg (\$98,971), Joliet (\$137,760), and St. Charles (\$199,385). In addition, \$152,364 was designated to Dwight Correctional Center.

Violence Against Women Act

Congress first passed the Violence Against Women Act (VAWA) in 1994 and reauthorized the Act in 2000. With a reauthorization in 2005, Congress began the S.T.O.P. (Services * Training * Officers * Prosecutors) VAWA program. Among the provisions of the Act is a section authorizing grants to states for programs that would improve the response of the criminal justice system to female victims of sexual assault and domestic violence.

As the agency charged with administering VAWA awards in Illinois, the Authority relies on statistical data, public testimony, and surveys of criminal justice and victim service agencies to ensure the most effective distribution of funds. The program's objectives include:

- Providing services to women who are victims of sexual assault and domestic violence by establishing satellite programs in one or more counties and extending services to victims who are unserved or underserved.
- Developing, implementing, and evaluating a plan for training police, prosecutors, judges, circuit clerks, probation officers, and service providers that reflects the unique information and skills necessary to promote an interdisciplinary approach to sexual assault and domestic violence.
- Implementing measures that document and assess the response of criminal justice agencies in Illinois to sexual assault and domestic violence.

The Act specifies that states must allocate 25 percent of the funds to law enforcement, 25 percent to prosecution, 30 percent to service providers, and 5 percent to the courts. The remaining 15 percent can be allocated at the state's discretion. Funds have a two-year lifespan and must be spent in accordance with a plan drafted by the Authority Ad Hoc Victim Services Committee and submitted to the Office on Violence Against Women, U.S. Department of Justice.

Illinois' federal fiscal year 2012 VAWA award was \$4.2 million. Nearly \$4.8 million in VAWA funds were designated in FY12 to support 28 programs. See page 23 for a list of programs funded through VAWA during the fiscal year.

VAWA Sexual Assault Services Program

The VAWA Sexual Assault Services Program supports the provision of hotline, advocacy, counseling, and outreach services to adults and children at 33 local victim service agencies across Illinois.

Illinois' federal fiscal year 2012 VAWA Sexual Assault Services Program award was \$373,779. In FY12, the Authority designated VAWA Sexual Assault Services Program funding in the amounts of \$34,272 to Korean American Women in Need and \$34,080 to Mutual Ground, Inc.

Violence Against Women Act grants

The Violence Against Women Act created a block grant program designed to help states improve the criminal justice system's response to victims of sexual assault or domestic violence. The Authority designated VAWA grant funds to the following programs between July 1, 2011, and June 30, 2012. Federal funds disbursed during the fiscal year may differ from the total designated to each program.

Program	Agency	Federal funds designated
Administration	Illinois Criminal Justice Information Authority	\$499,240
Centralized training for Chicago-area domestic violence agencies	Chicago Metropolitan Battered Women's Network	\$21,194
Domestic violence & sexual assault prosecution	Cook County	\$665,879
Domestic violence judicial training	Domestic Violence Legal Clinic	\$30,000
Domestic violence law enforcement	Bloomington, City of	\$67,732
Domestic violence multi-disciplinary team response	Center for Prevention of Abuse	\$70,906
Domestic violence multi-disciplinary team response	Chicago, City of	\$127,485
Domestic violence multi-disciplinary team response	McLean County	\$262,777
Domestic violence multi-disciplinary team response	Mid Central Community Action, Inc.	\$59,351
Domestic violence multi-disciplinary team response	Peoria, City of	\$54,359
Domestic violence multi-disciplinary team response	Peoria County	\$305,274
Domestic violence multi-disciplinary team response	St. Clair County	\$37,432
Domestic violence multi-disciplinary team response	Violence Prevention Center of Southwest Illinois	\$68,791
Services for underserved areas or victim groups	Illinois Coalition Against Domestic Violence	\$657,273
Services for underserved areas or victim groups	Illinois Coalition Against Sexual Assault	\$657,273
Services to victims of domestic violence	Chicago, City Of	\$364,000
Sexual assault medical advocacy	Office of the Attorney General	\$116,499
Sexual assault multi-disciplinary team response	Kankakee County	\$155,004
Sexual assault multi-disciplinary team response	Kankakee County- Center Against Sexual Assault	\$60,000
Sexual assault services	Illinois Coalition Against Sexual Assault	\$235,043
Statewide rape kit backlog relief	Illinois State Police	\$94,036
Statewide victim assistance training	Office of the Attorney General	\$25,230
Transitional housing and support services	Apna Ghar, Inc.	\$21,664
Transitional housing and support services	Crisis Center of South Suburbia	\$16,416
Transitional housing and support services	Hamdard Center for Health and Human Services	\$33,235
Transitional housing and support services	Quanada	\$24,000
Transitional housing and support services	Remedies Renewing Lives	\$14,340
Transitional housing and support services	Safe Passage, Inc.	\$7,392
Transitional housing and support services	YWCA of Freeport	\$18,048

Victims of Crime Act

The Victims of Crime Act (VOCA), funded with fines paid by offenders convicted of violating federal laws, supports direct services to victims of crime. The act requires that priority be given to services for victims of sexual assault, domestic violence, child abuse, and other groups identified by the state as underserved victims of crime.

Illinois' federal fiscal year 2012 VOCA award was almost \$15 million. The Authority designated \$33 million in VOCA grant funding in FY12 to 112 victim service providers. These funds supported victim advocacy programs throughout Illinois, including services provided by agencies that are members of the Coalition Against Domestic Violence and Coalition Against Sexual Assault. Other grants supported

services to survivors of homicide victims, victims of drunk driving crashes, and violent crime victims with special needs, such as those with disabilities and the elderly.

See page 26 for a list of programs funded through VOCA in FY12.

Justice Assistance Grants

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) was designed to streamline justice funding and grant administration. The Authority designated JAG funds to the following programs between July 1, 2011, and June 30, 2012. Federal funds disbursed during the fiscal year may differ from the total designated to each program.

Program	Agency	Federal funds designated
Administration	Illinois Criminal Justice Information Authority	\$951,702
Community violence prevention	Illinois State Police	\$228,308
Community violence prevention	Northwestern University	\$208,332
Correctional initiatives	Illinois Department of Juvenile Justice	\$225,000
Evaluations	Illinois Criminal Justice Information Authority	\$386,657
Evaluations	University of Chicago	\$50,000
Expanding multi-jurisdictional narcotics units	Adams County	\$133,389
Expanding multi-jurisdictional narcotics units	Collinsville, City of	\$467,598
Expanding multi-jurisdictional narcotics units	Kankakee County	\$150,730
Expanding multi-jurisdictional narcotics units	Libertyville, Village of	\$271,209
Expanding multi-jurisdictional narcotics units	Lombard, Village of	\$145,625
Expanding multi-jurisdictional narcotics units	Loves Park, City of	\$119,996
Expanding multi-jurisdictional narcotics units	Macoupin County	\$85,064
Expanding multi-jurisdictional narcotics units	Marion, City of	\$142,498
Expanding multi-jurisdictional narcotics units	Mattoon, City of	\$107,122
Expanding multi-jurisdictional narcotics units	McLean County	\$64,106
Expanding multi-jurisdictional narcotics units	Peoria, City of	\$71,179
Expanding multi-jurisdictional narcotics units	Robinson, City of	\$134,002
Expanding multi-jurisdictional narcotics units	Rock Island County	\$31,895
Expanding multi-jurisdictional narcotics units	Sangamon County	\$138,569
Expanding multi-jurisdictional narcotics units	St. Charles, Village of	\$139,670
Expanding multi-jurisdictional narcotics units	Vermilion County	\$143,581
Expanding multi-jurisdictional narcotics units	West Frankfort, City of	\$201,393
Expanding multi-jurisdictional narcotics units	Whiteside County	\$69,579
Expanding multi-jurisdictional narcotics units	Will County	\$139,644
Information systems	Bartonville, Village of	\$13,950
Information systems	Beecher, Village of	\$14,992

Victims of Crime Act grants

The Victims of Crime Act created a federal block grant program designed to help states increase services to victims of crime. The Authority designated VOCA grant funds to the following programs between July 1, 2011, and June 30, 2012. Federal funds disbursed during the fiscal year may differ from the total designated to each program.

Program	Agency	Federal funds designated
Administration	Illinois Criminal Justice Information Authority	\$1,590,781
Centralized training for Chicago area domestic violence agencies	Chicago Metropolitan Battered Women's Network	\$21,194
Child advocacy center services	All our Children's Advocacy Center	\$150,684
Child advocacy center services	Amy Schultz Child Advocacy Center	\$64,478
Child advocacy center services	Champaign County Children's Advocacy Center	\$129,372
Child advocacy center services	Chicago Children's Advocacy Center	\$302,678
Child advocacy center services	Child Network	\$61,760
Child advocacy center services	Children's Advocacy Center of East Central Illinois	\$76,734
Child advocacy center services	Children's Advocacy Center of North and Northwest Cook County	\$92,207
Child advocacy center services	Children's Advocacy Center of Northwest Cook County	\$92,207
Child advocacy center services	Children's Advocacy Renewal & Enlightenment, Inc.	\$163,482
Child advocacy center services	Court Appointed Special Advocates of Adams County	\$50,674
Child advocacy center services	DuPage County	\$116,694
Child advocacy center services	Hull House Child Advocacy Center of Cook County	\$75,342
Child advocacy center services	Kane County	\$44,508
Child advocacy center services	Lake County Children's Advocacy Center	\$179,962
Child advocacy center services	La Rabida Children's Hospital	\$174,086
Child advocacy center services	McHenry County Child Advocacy Center	\$65,512
Child advocacy center services	McLean County	\$238,852
Child advocacy center services	Procure Centers (Proviso Family Services)	\$48,956
Child advocacy center services	Sangamon County Child Advocacy Center	\$169,206
Child advocacy center services	Shining Star Children's Center	\$124,318
Child advocacy center services	St. Clair County Child Advocacy Center	\$68,944
Child advocacy center services	Tazewell County Children's Advocacy Center	\$91,532
Child advocacy center services	The Guardian Center, Inc.	\$51,322
Child advocacy center services	Will County Child Advocacy Center	\$129,642
Child advocacy center services	Winnebago County	\$167,368

Transitional housing and support services	Safe Passage, Inc.	\$78,014
Transitional housing and support services	YWCA of Freeport	\$66,888

Research and analysis

The Authority is responsible for conducting criminal justice research in Illinois, and its Research & Analysis (R&A) Unit handles the majority of the program and policy research efforts. Also known as the Illinois Statistical Analysis Center (SAC), the unit's primary mission is to identify and explore current or emerging criminal and juvenile justice issues that affect the Illinois justice system. The results are then made available to state, county, and local criminal justice decision-makers to assist them in their policy discussions and planning.

R&A attempts to make timely and objective information available on key issues so that important policy, program, and funding decisions are based on data and factual information rather than general perceptions. R&A is leading the Authority's efforts to promote the implementation of evidence-based and promising practices.

A number of research efforts were under way or concluded in state fiscal year 2012.

Criminal justice programming support

The Authority continually collects, analyzes, and disseminates statistical information on a variety of criminal and juvenile justice issues. By working with various agencies responsible for initial data collection, staff have developed what is perhaps the most comprehensive repository of crime, criminal justice, and risk factor data in Illinois, as well as a unique and widely recognized expertise in data analysis and interpretation. R&A encourages and supports community problem assessment and planning by making much of this data available on the Authority's website.

The unit also is responsible for evaluations to assess implementation and impact of drug and violent crime control programs, community re-entry post-incarceration, and drug treatment efforts, and other justice initiatives in Illinois. Evaluation projects supported with federal funds are carried out in-house, and through subcontracts with universities and private research firms.

R&A provides a variety of program development support to the Authority's Federal & State Grants Unit. Some of these activities are supported with grants from the U.S. Department of Justice Bureau of Justice Assistance, and from the VOCA,

and VAWA grant programs. R&A also provides the Federal & State Grants Unit with research and evaluation support.

Statistical Analysis Center website

The Authority launched the Illinois Statistical Analysis Center (SAC) website. The Illinois SAC website provides Illinois-specific criminal justice information and data in a way that's informative, interesting, and easy-to-navigate. This site offers a wide range of materials and resources that are useful to justice system practitioners, planners, researchers, students, and the general public. Visit the Illinois Statistical Analysis Center at www.icjia.org/public/sac.

Online data tools

The Statistical Analysis Center website is host to a variety of online data and tools to assist in interpreting the data. These tools allow users to research broad issues facing the criminal justice system or simply examine crime trends in a specific Illinois county or regional area. Criminal offense and arrest data from ISP Uniform Crime Reports are available on each Illinois county.

In FY12, staff continued to develop updated maps, charts, and other data applications to enhance web access and online presentation formats of the agency's holdings of criminal justice and social risk factor data. Topic areas for these tools include violent, property and drug offenses and arrests, court case filings and sentences imposed, county jail populations, prison admissions, Illinois population data, and juvenile data. Also included are data on special topics such as domestic violence and elder abuse.

Adult Prisoner Criminal History Analysis Web-based Tool

In FY12, staff initiated development of a new web-based analysis tool that allows users to explore 10-year criminal history patterns of prisoners admitted to the Illinois Department of Corrections. The tool will inform sentencing and corrections policy in a format that does not currently exist in Illinois. A dataset derived from de-identified prison records and corresponding criminal history records is being built for use with a web-based user interface. This tool will be available in winter 2013.

Arrest-Related Deaths Reporting Program

Supported with a U.S. Department of Justice Bureau of Justice Statistics grant, ICJIA continued participation in the Arrest-Related Deaths (ARD) Reporting Program (formerly the Death in Custody Reporting Program).

Through ARD, the Bureau of Justice Statistics (BJS) collects and disseminates data on deaths that occur in local jails and state prisons, and during the process of arrest by state and local law enforcement agencies. The Authority has acted as the state reporting agency for Illinois since 2003 for deaths that occur in the process of arrest. Staff identify and collect data on eligible deaths through a variety of methods and report all information to BJS. Downloadable forms and information for police agencies and coroners is available on the Authority website.

Kane County State's Attorney's Office Evidence-Based Risk Assessment Tool

ICJIA partnered with the Kane County State's Attorney's Office in FY12 to develop an evidence-based risk, assets, and needs assessment tool to help inform plea decisions. An automated tool calibrated to Kane County will be created to assist state's attorneys in compiling and evaluating defendant information relevant to their plea decisions. Data on 500 cases completed in 2007 will be used to develop appropriate weights for each data element and standardize information acquisition and decision-making using evidence-based practices. Once this baseline sample has been collected, ICJIA staff will begin the recidivism analysis necessary for developing the tool scoring mechanism. This tool will be available in fall 2013.

Technical assistance projects

Illinois Criminal Justice Cost-Benefit Model development

In FY12, staff initiated implementation of a comprehensive cost-benefit model designed by the Washington State Institute of Public Policy. In partnership with the Sentencing Policy Advisory Council (SPAC), researchers worked to identify the Illinois-specific costs and benefits of the criminal justice system and its programs and policies, for use in the model. The model requires data relating to the marginal costs for criminal justice events, program cost and effect size information, probabilities and amounts of resource usage, and cohort analyses for the amount and timing of recidivism events for various criminal

justice populations. Once these data are input into the model, the costs and benefits of existing Illinois programs can be determined and portfolios of programs can be devised that suggest the best allocation of funding. ICJIA has completed the necessary cohort studies and has derived the resource usage parameters. Project completion is expected in summer 2013.

Inventory of state agency employment restrictions for persons with a criminal record task force support

The Task Force on Inventorying Employment Restrictions Act [20 ILCS 5000] provides for the formation of a Task Force that shall review all state agencies' statutes, administrative rules, policies and practices that create restrictions for employment of persons with a criminal background, and to report to the Governor and General Assembly by June 30, 2013 those restrictions and their impact on employment opportunities. The goal of the project is to provide staff support to the Task Force in collecting and collating information received from all state agencies, including statistics on the numbers of applicants who have been restricted from employment in the past two years.

Statewide Juvenile Disproportionate Minority Contact Assessment

The U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention requires that Illinois conduct a formal methodological study to explore disproportionality of youth in the juvenile justice system, and possible contributing mechanisms. R&A staff provided technical assistance to the DMC Subcommittee of the Juvenile Justice Committee in terms of sampling and data collection strategies. The first phase of the technical assistance analyzed race and ethnic distributions of juveniles recorded in the TRACKER probation case management system in 19 of the 41 counties targeted in the Statewide DMC Assessment. The project completion date is spring 2013.

Juvenile Redeploy Illinois monthly data reports database

The Juvenile Redeploy Illinois program is designed to provide services to youth between the ages of 13 and 18 who are at high risk of being committed to the Department of Juvenile Justice. The goal of the project to provide research support and technical assistance to the four pilot site counties by providing a standardized automated mechanism to report monthly data about program participants and the services they

Contracted evaluation and research

The Authority supported the following outside research projects and evaluations in FY12:

Evaluation project

Multidisciplinary Teams in Illinois

Mental Health Courts in Illinois

Safer Return Demonstration: A Research-Based Community Re-entry Initiative-An examination of the Family-Inclusive Case Management Service Component

Evaluator/s

University of Illinois at Springfield

Loyola University Chicago

Urban Institute

Research project

Drivers of Illinois Prison Populations

Researchers

David Olson, Ph.D., and Don Stemen, Ph.D.

received. The initial phase of the project was the development of paper monthly data report, followed by an Access database deployed out to each program administrator. During the final phase of the project, a web-based data collection tool is being developed to supercede the Access database. The purpose is to obtain detailed information on Redeploy Illinois program participants and services to inform program administrators about participant needs and gaps in services, and to inform the Oversight Board of program progress.

Risk Assets, and Needs Assessment Task Force support

The Crime Reduction Act of 2009 created the Risks, Assets and Needs Assessment Task Force to facilitate the adoption of a standardized assessment instrument for all levels of the criminal justice system in Illinois for a coordinated and effective approach to offender assessment and risk management. The goal of the project is to serve on this task force and assist in identifying criteria by which to assess the different instruments under consideration.

Cook County Domestic Violence Help Desk Check-In Database Technical Assistance

In FY12, staff developed and initiated maintenance for a client tracking database for the Help Desk Check-In at the Cook County Domestic Violence Courthouse. Victims of domestic violence seeking court services at the courthouse are directed to various stations within the Help Center, where they can meet with assistant state's attorneys, victim advocates, and pro bono legal assistance in furtherance of their court case or filing of civil orders of protection.

The database tracks utilization of services offered and the time spent by victims in the Help Center. The goal of the project is to provide the Court Administrator with data necessary for the most efficient allocation of resources within the court house. Staff provides ongoing technical assistance in administering and maintaining the database used at the Help Desk.

Kane County State's Attorney's Office Technical Assistance

ICJIA partnered in FY 12 with the Kane County State's Attorney's Office to provide technical assistance in assessing prosecutorial decision-making factors. Data on approximately 500 cases handled in 2007 were collected with the assistance of Kane County staff. The recidivism rates of these cases are being determined by ICJIA research staff, in order to provide a baseline for determining the impact of future availability of defendants' risk factor information on prosecutorial decision-making.

Program evaluations

Adult Redeploy Illinois Utilization-Focused Evaluation

The Crime Reduction Act established the Adult Redeploy Illinois program in 2010 to provide financial incentives to local jurisdictions for designing community-based programs that treat offenders in the community rather than sending them to state prisons. Authority researchers are tracking the policy implementation process, guiding development of performance and outcome measures, and providing other relevant technical assistance toward insuring the program model aligns with the Crime Reduction Act. Researchers will analyze program data collected

by the local jurisdictions to measure progress toward performance and outcome measures. The results of the evaluation will be used to assist the sites with improving their programs going forward. Project completion is expected in spring 2014.

Chicago Police Department Juvenile Crisis Intervention Training evaluation

The Chicago Police Department established its Crisis Intervention Team in 2004 to address the high prevalence of mental illness among incarcerated adults. Team members volunteer for training, which teaches law enforcement officers to identify signs and symptoms of mental illnesses and exercise skills to defuse crisis situations. The Chicago Police Department, in conjunction with the National Alliance on Mental Illness (NAMI), established its 40-hour Youth-Crisis Intervention Team training to teach officers how to better respond to mental health crises among juveniles. The goal of the study is to evaluate the program to improve and enhance training practices. The study measures pre-and post-training knowledge; retention of the training material; satisfaction with the training; and the intentions and use of training materials in the field. This is a three-year evaluation project, but a report of findings will be completed for each year.

In FY12, the Authority completed an evaluation to determine the extent to which the training curriculum is helpful for officers as they respond to situations involving youth in crisis. This evaluation will measure officer pre-and post-training knowledge, retention of training material, officer satisfaction with training, officer intention to use training material, and officer use of the training curriculum in the field. Findings will be used to improve and enhance crisis intervention training programs. A *Research Report*, "Evaluation of Chicago Youth Crisis Intervention Team (CIT) Training for Law Enforcement (Year 1)," is available online. An evaluation of the training program's second year will be completed in spring 2013.

River Valley Juvenile Detention Center Mental Health Program evaluation

Authority researchers continued their partnership with River Valley Detention Center administrative staff to conduct an evaluation of the facility's mental health program. The three-year evaluation will measure youth satisfaction with the conditions and treatment provided by facility staff, the use of court-ordered psychological reports, and the influence psychological reports have on juvenile justice system

outcomes. Evaluation completion is expected in fall 2013.

St. Leonard's Ministries program evaluation

St. Leonard's Ministries operates two transitional housing programs—St. Leonard's House and Grace House. These programs provide housing for adult men and women exiting prison. Authority researchers continued its evaluation of St. Leonard's Ministries programs to identify program components that are effective in contributing to successful client outcomes. This information will also help educate policy makers about the potential benefit of long-term, structured re-entry programming for formerly incarcerated men and women. Evaluation completion is expected in winter 2014.

Research projects

Juvenile offender recidivism study

In FY12, staff completed an in-depth examination of recidivism among about 4,200 youth exiting Illinois Department of Juvenile Justice correctional facilities between FY05 and FY07. Various statistical methods are being employed to explore juvenile re-offending and track youth into the adult system. The study was supported with a \$19,575 grant received by the American Statistical Association and Bureau of Justice Statistics. Two *Research Reports*, "Juvenile recidivism in Illinois: Exploring youth re-arrest and re-incarceration" and "Juvenile recidivism in Illinois: Examining re-arrest and re-incarceration of youth committed for a court evaluation," were completed and are available online.

Illinois metropolitan enforcement group and drug task force focus groups

Staff completed focus group research to examine MEGs and drug task force operations in Illinois, including the process for developing strategic priorities. Besides informing the field and advancing the literature on drug task forces, researchers hope to identify core components of program success. Drawn from focus groups of task force participants, this research will be used to inform ICJIA's grant review and grant administration process for this program area. The final *Research Report*, "Study of Illinois Multi-Jurisdictional Drug Task Forces Goals and Objectives," is now available online.

Mental Health and PTSD in Cook County Jail Substance Abuse Treatment Program

Staff collaborated in FY12 with Loyola University Chicago and the WestCare Foundation to initiate and examine mental health, trauma exposure, and PTSD among males in substance abuse programming at the Cook County Jail. A survey will be distributed to detainees in Cook County Jail participating in the WestCare Foundation's Impact program. The purpose is to learn about trauma and PTSD in jail populations and inform programmatic improvements to the jail. Project completion is expected in fall 2013.

Restorative justice survey

The Illinois Juvenile Court Act adopts balanced and restorative justice (BARJ) as the guiding philosophy for juvenile delinquency cases. BARJ is guided by three principles: public safety, accountability and competency development, and includes victims, offenders, and the community in the justice process.

The Authority has supported balanced and restorative justice programs in the juvenile justice system for several years by sponsoring BARJ trainings for police, prosecutors, detention centers and probation departments, as well as service providers and school officials. Staff have also produced several BARJ guides that contain detailed instructions for incorporating BARJ principles into the operations of these agencies and institutions.

Researchers surveyed educators, juvenile justice practitioners, and others who work with youth in the community to determine how many schools, organizations, and agencies have adopted restorative justice principles and practices, and the extent to which their programs adhere to the restorative justice model. Staff is compiling the survey results and will use the information collected to publish a statewide inventory. Report completion is expected in spring 2013.

Statistical profiles and crime trends

Illinois metropolitan enforcement group and drug task force profiles

Illinois metropolitan enforcement groups (MEGs) and drug task forces pool resources, knowledge, and personnel to more efficiently and effectively fight the proliferation of illicit drugs in their regions. MEGs and task forces are staffed by officers representing federal, state, county, and local police agencies. Periodically, the Authority creates profiles of each MEG and task force to provide a general overview of the drug and violent crime problem in their jurisdic-

tions and share their responses to these problems. These profiles were completed and are now available online.

Prescription drug trends

Authority staff completed a Research Bulletin on prescription drug use in Illinois during the fiscal year. Statewide data was used to examine illegal prescription drug use. The report describes the types of prescription drugs, the prevalence of illegal use, and includes data on overdoses and deaths. Also included are data on prescription drug-related treatment admissions and emergency room visits. The *Research Bulletin*, "Prescription drug abuse, accidental overdose on rise in Illinois," is available on the Authority's website.

Juvenile justice system annual report

In FY12, staff continued compilation of the Juvenile Justice System and Risk Factor Data: 2009-2010 Annual Report. Compiled at the request of the Illinois Juvenile Justice Commission, the report provided a comprehensive overview of risk factors for juvenile crime, juvenile involvement with the justice system, county-level data, special issues within the system, and programs and initiatives active within Illinois.

Policies and procedures of the Illinois criminal justice system

In FY12, staff completed a step-by-step walkthrough of the general practices, processes, and procedures of the Illinois criminal justice system, from arrest through incarceration and community corrections. The report was reviewed by an advisory committee of experts including judges, police, attorneys, and professionals in the field. This *Research Report*, "Policies and procedures of the Illinois criminal justice system," is available online.

College campus crime trends

Authority researchers continued research on Illinois college campus crime trends in FY12. Staff initiated a statistical analysis of campus crime trends at Illinois community colleges. Violent and property crimes reported at two-year colleges will be analyzed using Clery Act data reported by college administrators to the U.S. Department of Education. This analysis will inform school administrators, policymakers and the public on college campus crime. This study will be completed in winter 2013.

Criminal history records research

The Authority established the Criminal History Records Audit Center in 1993 to improve the state's criminal history record information (CHRI) system and ensure compliance with federal mandates and state laws for criminal history records. Criminal history records, commonly known as "rap sheets" are used by criminal justice agencies throughout Illinois to identify and prosecute repeat offenders, as well as for research, employment, and professional licensing purposes.

Record quality is examined through periodic audits of the computerized criminal history database maintained by Illinois State Police (ISP). In FY12, researchers continued investigations of court disposition and sentencing reporting trends by each of the 102 Illinois counties to develop sampling strategies for the next statewide audit.

In partnership with ISP, staff also facilitates research utilizing criminal history records. Through a permanent online connection, the Authority has access to ISP's electronic data tables, which can be downloaded onto secure Authority servers and shared with authorized users. The data is used by both outside researchers and Authority staff conducting in-house research.

In FY12, staff processed CHRI data user agreements with the Loyola University, University of Illinois at Springfield, and the Chicago School of Professional Psychology. The data were used by these entities to conduct research on recidivism of Cook County jail inmates, the implementation of mental health courts in Illinois, and recidivism rates among juvenile offenders.

In addition, a CHRI dataset was developed spanning the years 1990 to 2011. These data were used to answer information requests from legislators, the media, outside researchers, and students. Staff also provided technical assistance on the interpretation of CHRI data provided for research.

Illinois Criminal History Record Information System Audit

ICJIA is mandated by statute to conduct periodic audits of the Illinois state central repository for criminal history record information (CHRI) maintained by the Illinois State Police (ISP). The goal of the project is to document the accuracy, completeness, and timeliness of information in the CHRI system, with a particular focus on court dispositions. The purpose of

the project is to provide the Illinois State Police with feedback on limitations in its current system that may require remedial action, and provide recommendations to inform future federal grant applications for state criminal history record improvements.

In FY12, staff began collecting local circuit court case disposition data. This information will be used as source documents against which criminal history record information maintained by ISP will be compared. Audit completion is expected in spring 2014.

Information clearinghouse

The Authority serves as a statewide clearinghouse for statistics and other information about the criminal justice system. In FY12, the agency responded to 135 requests from people seeking information, an average of 11 per month. Requests for information came from private citizens, government and private agencies, students, media representatives, legislators, and researchers.

Staff received 196 e-mail requests for information via the Authority's website during the fiscal year.

Information systems

The Authority's Information Systems Unit (ISU) is charged with designing, developing, and operating advanced technology that can be used to help Illinois public safety agencies collect and share information. Affordable information systems were created by the unit to strengthen communication between agencies and help these agencies coordinate their efforts to reduce crime.

Authority website

The Authority's website, www.icjia.state.il.us, is a frequent destination of criminal justice professionals, educators, and members of the public. In addition to providing easy access to the latest criminal justice information, the site opens the door to the Authority's three major areas of operation: research, information systems, and federal and state grants.

The number of unique visitors to the Authority's website in FY12 was 126,395 with an average of 21,066 users per month. Downloaded publications totaled 1,104,493.

By the end of FY12, 3,122 users had subscribed to CJ Dispatch, a 7.5 percent increase over FY11. The Authority's CJ Dispatch notifies subscribers via e-mail of the latest ICJIA grant opportunities, research, and other news.

Clandestine Lab Reporting Information System

Staff continued to oversee the Clandestine Lab Reporting Information System (CLARIS), a database that helps eliminate gaps in the drug information network that records the growing methamphetamine problem in the United States.

CLARIS is a web-based data collection system for reporting and analysis of methamphetamine lab seizure data used mainly by law enforcement agencies in Illinois. With CLARIS, remote users access the program and centralized database at the Authority using a web browser.

CLARIS is used by the Illinois Meth Response Teams and other drug enforcement groups who perform methamphetamine lab seizures. Data collected is submitted to Illinois State Police for analysis. Agencies also use CLARIS to file the required EPIC report, and to perform local monthly and annual statistical tabulations.

The Authority's website, www.icjia.state.il.us, is a frequent destination of criminal justice professionals, educators, and members of the general public.

In FY12, 259 monthly data reports and 649 lab seizures were entered into CLARIS. This data is useful in determining, among other criteria, the types, numbers, and locations of laboratories seized, manufacturing trends, precursor and chemical sources, the number of children and law enforcement officers affected, and investigative leads. The data also helps agencies to justify and allocate current and future resources.

The Authority created CLARIS with a \$50,000 grant from the Bureau of Justice Statistics Office of Justice Programs. When combined with Illinois State Police and federal El Paso Intelligence Center (EPIC) data, this comprehensive information-sharing network helps stem the proliferation and sale of methamphetamine by more accurately pinpointing the sources of its production.

Enhanced grants management system efforts

The Pennsylvania Commission on Crime & Delinquency originally created the web-based system, Egrants, with \$4.5 million in federal funding to meet the needs of the state of Pennsylvania. The Authority received that product and source code at no charge. The system was tailored to fit the Authority's fund planning and grant administration needs.

The system eliminates redundancies, ensures enforcement of business rules, and generates more accurate grant reports. The system will eventually allow users outside the agency to submit grant concepts, applications, reports, and other grant-related information online. With continued development, eGMIS will allow the Authority to eventually achieve its goal of conducting all grant-related business in an electronic paperless environment.

Staff continued development of the system to improve quality and functionality. In FY12, staff began work to modify eGMIS to allow users outside the agency to submit grant concepts, applications, reports, and other grant-related information online.

InfoNet data collection

InfoNet is an Internet-based, statewide victim data collection and reporting system, nationally recognized for utilizing the Internet for enhancing data collection and reporting efforts for victim service providers while creating a unique set of victim service data.

Data are transmitted between users and the Authority over the Internet. Service providers use InfoNet to collect case-level information about the clients they serve. All recorded victim data, including demographic characteristics, are kept confidential using a unique numerical identifier for each victim. A description of the person's victimization is captured, as well as the offender's profile and interactions with the criminal justice system. Agencies also enter services provided by staff, including client services, hotline contacts, and outreach efforts.

The Authority partnered with Illinois' Coalitions Against Sexual Assault and Domestic Violence to develop and implement the system for sexual assault and domestic violence centers in 1997. The Authority later worked with the Illinois Department of Human Services (IDHS) and the Child Advocacy Centers of Illinois to make the system available to IDHS-funded domestic violence programs and child advocacy centers.

To facilitate data mining and analysis, InfoNet has a comprehensive set of reporting tools. Programs utilize reports to analyze client populations, measure program effectiveness, and manage staff and client caseloads. InfoNet data are also shared with criminal justice agencies to advocate for improved responses to victims. In addition, state agencies responsible for coordinating crime victim services access timely and accurate information for policy and planning initiatives.

During FY12, 68 domestic violence programs, 33 sexual assault programs, and 10 child advocacy centers accessed InfoNet from nearly 200 sites throughout Illinois.

Motor Vehicle Automated Reporting System

During the fiscal year, ISU staff continued testing of a data collection system that allows online motor vehicle theft reporting by state-funded anti-theft task forces throughout Illinois.

The Motor Vehicle Automated Reporting System will allow simpler and more accurate monthly reporting of vehicle recoveries, arrests, and investigations of stolen vehicles. The system will be used throughout the state by motor vehicle theft task forces supported with Motor Vehicle Theft Prevention Council funding. Statistics on auto theft are used to help determine annual task force funding needs.

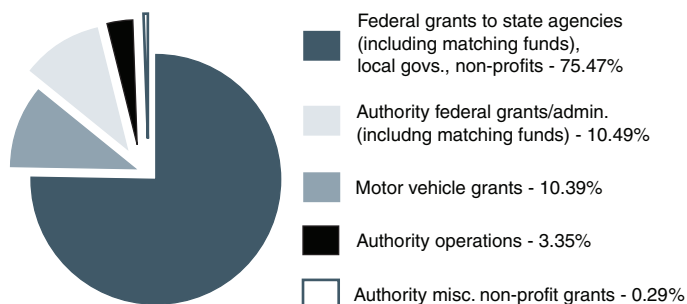

Fiscal information

This fiscal information reflects the actual expenditures for state fiscal year 2012.

	GENERAL REVENUE	FEDERAL	MOTOR VEHICLE	CRIMINAL JUSTICE INFO PROJECTS	JABG	TOTAL
OPERATIONS						
Personal services*	\$1,196,386		\$168,971			\$1,365,357
Retirement	\$0					\$0
FICA	\$89,066					\$89,066
Group insurance	\$0					\$0
Contractual services	\$282,413					\$282,413
Travel	\$7,357					\$7,357
Commodities	\$3,883					\$3,883
Printing	\$4,043					\$4,043
Equipment	\$0					\$0
EDP	\$5,720					\$5,720
Telecommunications	\$44,944					\$44,944
Auto operations	\$5,000					\$5,000
Ordinary/contingent expenses	\$0		\$151,772			\$151,772
Total operations	\$1,638,812	\$0	\$320,743	\$0	\$0	\$1,959,555
AWARDS & GRANTS						
Federal assistance support		\$4,874,494				\$4,874,494
Federal assistance support - ARRA		\$1,261,476				\$1,261,476
