Regular Board Meeting
Thursday, December 19, 2019
10:00 a.m. to 12:00 p.m.
Illinois Criminal Justice Information Authority
300 West Adams, Suite 200
Chicago, Illinois

AGENDA

- I. Call to Order and Roll Call
- II. Approval of Minutes
- III. Chairperson's Remarks
- IV. Executive Director's Remarks
- V. Executive Staff Update
- VI. Justice Assistance Grant (JAG) Implementation Plan Vote
- VII. Trauma Resource Center (TRC) Program Update
- VIII. A State and National Overview of Methamphetamine Trends
- IX. Committee and Board Member Update
- X. Public Comment
- XI. Adjourn

MINUTES

**ICJIA QUARTERLY BOARD MEETING
ILLINOIS CRIMINAL JUSTICE INFORMATION AUTHORITY**

September 19, 2019 at 10:00 a.m. - Noon
300 W. Adams Street, Suite 200, Building Conference Room
Chicago, IL 60606

Roll Call

ICJIA Vice-Chair Patrick Delfino welcomed Board members and guests to the ICJIA Board Meeting. He called the meeting to order at 10:05 a.m. and asked Acting General Counsel Robin Murphy to call the roll.

Committee Member Attendance	Present	Telephone	Absent
Sheriff Dwight Baird	X		
Public Defender Carla Barnes	X		
Clerk Dorothy Brown			X
Public Defender Amy Campanelli	X		
Director James Chadd			X
Sheriff Tom Dart			X
Director Patrick Delfino, Vice Chair	X		
Director Ngozi Ezike			X
Director Brent Fischer			X
State’s Attorney Kim Foxx			X
Director Rob Jeffreys			X
Superintendent Eddie T. Johnson			X
Clerk Maureen Josh			X
Director Brendan Kelly	X		
State’s Attorney Bryan Kibler			X
Director David Olson	X		
Chief Joseph Perez	X		

President Toni Preckwinkle			
John Carroll for Attorney General Kwame Raoul	X		
Director Kathy Saltmarsh	X		
Director Marc Smith			
Director Jennifer Vollen-Katz		X	
Director Paula Wolff	X		
Designees Present	Present	Telephone	Absent
Nicole Kramer for State's Attorney Kim Foxx			
Patricia McCreary for Clerk Dorothy Brown			
Antwan Turpeau for Director Marc Smith			
James Pagano for Director Rob Jeffreys			
Keith Calloway for Director Brent Fischer			
Chief Barbara West for Superintendent Eddie Johnson			

Also in attendance were:

Adraina Camarda – Chicago DCFS
Reshma Desai – ICJIA Policy Advisor
Dr. Justin Escamilla – ICJIA Research Criminologist
Andrew Fox – IL Department of Employment Security
Diane Hamilton –CHILLCBDIGEST.com Newspaper
Christine Head – NORC
Katie Hohlihan – Cook County Public Defender
Marilyn Jackson – ICJIA Executive Assistant
Brian Kenner – Alliance for Safety and Justice
Rick Krause – IL Department of Corrections
Robin Murphy – ICJIA Acting General Counsel
Dartesia Pitts – Office of the Lt. Governor
Amanda Pyron – Advocating to End Domestic Violence
Quinn Rallins – Office of the Lt. Governor
Ben Recht – ILJP
Jessica Reichert – ICJIA Acting Associate Director of Research
Ron Reichgelt – ICJIA VOCA Program Director
Char Rivette – Chicago Children's Advocacy Center
Mara Sheban – City Bureau
Zina Smith – ICJIA Associate Director of Human Resources
Jason Stamps – ICJIA Acting Executive Director

Greg Stevens – ICJIA Associate Director of Federal & State Grants Unit
Mike Tish – City Bureau
Charles Watkins – Office of the Lt. Governor
Larry D. Williamson
Other ICJIA staff members and guests

Mr. Murphy stated a quorum has not been achieved. Vice-chair Delfino asked for a motion to move the approval of the April 24, 2019, meeting minutes to the end of the meeting. Ms. Wolff moved to place the minutes at the end of the agenda. Mr. Carroll seconded. The motion was adopted by unanimous vote.

Chairman’s Remarks

Mr. Delfino welcomed everyone for attending the board meeting and turned the meeting over to Acting Director Stamps.

Executive Director’s Report

Acting Director Stamps thanked the Governor’s and Lt. Governor’s offices for giving him the opportunity and support to head ICJIA operations.

Mr. Stamps stated ICJIA is working to program and distribute \$30 million in additional funding toward violence prevention research, planning, programming, and additional staff. With these funds the agency is quickly outgrowing its office space and the agency is engaged with CMS in discussions on expansion. This growth in funded activities has required that ICJIA staff address the additional administrative and research work necessary to effectively achieve our mandates. He thanked staff for helping him settle into his new position

ICJIA Financial report

Acting Director Stamps stated Acting Chief Fiscal Officer Weis resigned early in the month and that ICJIA was actively recruiting a replacement.

He noted ICJIA’s Indirect Cost Rate proposal was submitted March 29 through the state-contracted entity handling negotiations with the federal government and that the agency had not received any further communication on the matter.

The agency is continuing to work through the issues of the mid-year conversion related to Systems, Applications and Products (SAP) software.

He mentioned staff is managing two audits. He said a state audit began on June 3, 2019, and that a U.S. Department of Justice Victims of Crime Act program audit under way would take nine to 12 months to complete.

Executive Staff Update

Mr. Murphy gave a quick update on FFY18 Justice Assistance Grant funding. Due to the pending federal “sanctuary city” litigation, ICJIA had not yet received its \$6.5 million award. He said the Illinois Attorney General was seeking an injunction to bar the U.S. Department of Justice from imposing immigration-related conditions on this funding, which requires certification of compliance from the Governor and the Illinois Attorney General.

He also reminded board members to complete the 2019 Ethics and Sexual Harassment Prevention Training.

Mr. Stevens gave an update on the upcoming notice of funding opportunity schedule. He said at the June 27, 2019, ICJIA Board meeting, the Board approved the Illinois Edward Byrne Memorial Justice Assistance Grant Program 2019-2024 Strategic Plan and requested that staff come back with an implementation plan for the use of those funds. He stated the plan would be introduced at the October Budget Committee Meeting and later presented at to the ICJIA Board.

Ms. Reichert introduced a new research center within the Research & Analysis (R&A) unit focused on the Restore, Reinvest, and Renew (R3) Program. She also shared the unit had received two one-year grants from the U.S. Bureau of Justice Statistics, a two-year grant through Illinois State Board of Education and a five-year grant through University of Chicago from National Institutes of Health. She said R&A staff were invited to present at the Illinois Association of Chiefs of Police conference and at George Mason University. Staff also served on the Illinois Supreme Court Commission on Pretrial Practices, she said. She mentioned that InfoNet finalized an agreement with the City of Chicago, who will use the system with the domestic violence agencies they fund.

Violence Prevention Plan Update

Ms. Desai gave an update on the ICJIA Violence Prevention Plan. She said staff initiated a process to develop the next four-year violence prevention plan, which will include victim services and trauma recovery centers and services. She said recommendations for the new plan would be made by the end of the next calendar year.

Restore, Renew and Reinvest (R3) Program Update

Mr. Murphy gave an overview of the Cannabis Regulation and Tax Act. He said ICJIA would be administering funds collected as a result of the Act and added ICJIA and the R3 Board would work in coordination with Justice, Equity and Opportunity (JEO) Initiative to develop a process for planning and implementation and to solicit applications from eligible areas, review grant applications, develop performance measurement systems, monitor process, approve distribution of resources, and deliver an annual report. He said R3 will fund programs through economic development, youth violence prevention services, re-entry, youth development, and civil legal aid.

Dr. Escamilla gave an update on the R3 Analysis Plan. He said the R3 research working group was comprised of nine members and would examine data sets; discuss data issues, limitations, and accessibility; and develop a formula to determine eligible areas.

Committee and Board Member Update

Ms. Saltmarsh mentioned she visited the Trauma Recovery Wraparound Center in Peoria and encouraged other board members to visit trauma center sites. She asked whether ICJIA staff offered technical assistance to the sites. Dr. Houston-Kolnik said technical assistance calls were made to the sites on a monthly basis.

Public Comment

None.

Adjourn

Mr. Delfino asked for a motion to adjourn the meeting. Mr. Wolff moved to adjourn the meeting. The motion was seconded by Dr. Olson. The meeting was adjourned at 11:11 a.m.

Robin Murphy, Acting General Counsel
Gregory Stevens, Associate Director of Grants
Jessica Reichert, Acting Director of Research

Date: December 19, 2019

Re: Executive Staff Update

Fiscal Update

Office of Fiscal Management Staffing and Operations

ICJIA submitted its SFY21 appropriation request consistent with the Government Office of Budget and Management (GOMB) directive. While this is just the first pass, our appropriation request for maintaining our current level of programming resulted in an increase over the SFY20 appropriation of \$19 million, or 9.25%. The increase in appropriation request is due primarily to increases in the estimated appropriation for the Restore, Reinvest and Renew (R3) and Victim of Crime Act (VOCA) programs' anticipated spending increases, coupled with projected cost of living increases for both collective bargaining and merit comp employees, and increases in group insurance and retirement contributions. ICJIA also built into the budget appropriation request an increase in lease costs for additional office space necessary for implementation of new programs.

The ICJIA Indirect Cost Rate (ICR) proposal submitted on March 29, 2019 was approved by the US Department of Justice on October 4, 2019 for the period 7/1/2019 through 6/30/2020. ICJIA staff is preparing supporting documentation for the fiscal year 2021 submission through Maximus, the state contracted entity to handle such negotiations with the federal government.

ICJIA staff successfully closed SFY19 activity while continuing to work through issues that arose from the mid-year conversion to SAP. As the only agency that converted mid-year and that administers grants from outside sources, we had essentially served as a pilot site identifying issues related to our use of the system that were not identified prior to the conversion. As the state prepares for another mid-year conversion, what support we received previously is being directed to other ERP priorities. The Authority will investigate options that will allow us to meet all the requirements around reporting and reconciling that have been delayed due to the conversion.

The department is in the onboarding process for two Grantee Auditors. The openings were created due, in part, to the Recovery Auditor moving into an Advanced Accountant position within ICJIA. Moreover, both Grantee Auditors moved into different positions in and outside of the agency, respectively. The posted job requirements were drafted to meet those of similar coded positions to

make a seamless transition from non-code to code positions as anticipated. Grantee audits are nonetheless being conducted but primarily as desk audits until the onboarding process is complete.

Karen Crawford has accepted the role of Acting CFO. Ms. Crawford joined ICJIA in August 2018 with over 30 years of accounting and consulting experience across industry and government. She is a graduate of Xavier University of Louisiana and National-Louis University with both B.S. and M.S. degrees and holds CPA and PMP licenses.

Audits of ICJIA

The two audits discussed in the September meeting – the state compliance and Department of Justice Office of the Inspector General audits – are ongoing. Staff continues to dedicate a significant amount of time responding to document requests, interviews and providing follow-up as necessary by the auditors. Additionally, based on FY19 expenditures, our VOCA program was identified as one of the State’s major federally funded programs, and is therefore required to be audited as part of the FY19 Statewide Single Audit performed by KPMG. While KPMG has not identified a specific time to be on site, they have started providing a list of schedules and other documentation needed to evaluate our VOCA program.

In October, the Illinois Department of Human Services conducted an On-Site Fiscal Contract Compliance Review on the Domestic and Sexual Violence Prevention Infonet / Redeploy Illinois programs resulting in no findings.

Office of General Counsel Update

JAG 2018 Litigation Update

In September, the Board was briefed that due to pending ‘sanctuary city’ federal litigation based on immigration-related conditions imposed by the Department of Justice (DOJ), ICJIA still could not accept its FFY18 2018 Justice Assistant Grant (JAG) award. Under this award, ICJIA would receive approximately \$6.5M in federal funds to continue funding a wide range of law enforcement-related programs.

The State, along with the City of Chicago, sought an injunction to bar the DOJ from imposing these conditions, which also require certifications of compliance from the Governor. In September, the City of Chicago prevailed on the DOJ’s motion to dismiss of its complaint, and the court issued a permanent injunction against all the conditions that Chicago challenged. The State’s case, which tracked the City’s and was before the same Judge, resulted in a similar order permanently enjoining those conditions.

The DOJ – via negotiations with the Illinois Attorney General’s Office – then permitted ICJIA’s Executive Director (after striking the enjoined special conditions) to sign the certifications of

compliance. The injunction is in effect for “FY2018 and *all future years.*” Accordingly, ICJIA was able to accept its FFY19 award and should, absent a reversal by the 7th Circuit, be able to accept future JAG awards without additional litigation.

Grants Update

The Federal and State Grants Unit continues to program the new state funds in addition to those funds that require new competitive solicitations. Table 1 provides a revised *Notice of Funding Opportunity* schedule.

At the June 27, 2019 ICJIA Board meeting, the Board approved the *Illinois Edward Byrne Memorial Justice Assistance Grant (JAG) Strategic Plan 2019-2024*. The plan outlines five goals that will guide the use of JAG funds for the next five years.

At the same meeting, the Board requested to review an implementation plan that will describe how JAG funds will be programmed to achieve the five goals listed in the plan. Staff presented the draft implementation plan to the Budget Committee at its October 17, 2019 meeting. The Budget Committee approved the draft plan and it will be presented later in this meeting for consideration.

Research Update

R&A unit was awarded the following new external research grants:

- \$330,000 for a 3-year, National Institutes of Justice grant with RAND Corporation and TASC, *A Law Enforcement Pathway to Treatment: A Multi-Site Evaluation of Self-Referral Deflection Programs*
- \$55,000 for a 6-month Governor’s Office of Management and Budget grant for a study of electronic monitoring practices for parolees

In the quarter, staff conducted presentations at state and national forums including Illinois Probation and Court Services Association Conference, Illinois State Bar Association, American Society of Criminology, Adult Redeploy Illinois Oversight Board, Illinois Association of School Social Workers, National Training Institute, Prevent Child Abuse Illinois Statewide Conference, InfoNet Sexual Assault Planning Group, Chicago Department of Family & Support Services, and Northeastern Illinois University’s LGBTQ Intimate Partner Violence Conference.

ICJIA launched the Research Hub, a new website feature, with all ICJIA research, data apps, and datasets. The Hub is powered by modern web technology to provide a fast, secure, and mobile-friendly interface for users seeking ICJIA research products. A new search feature links to research by criminal justice category for faster and more comprehensive access to ICJIA research holdings.

Table 2 provides a list of R&A publications in this quarter. Table 3 offers a list of current R&A projects.

Table 1. Anticipated NOFO Release Schedule – Updated December 13, 2019.

Funding stream	Program area	Release period
Safe from the Start (GR)	Violence prevention - implementation	Completed
Victims of Crime Act	Illinois HEALS demo site	Completed
Victims of Crime Act	Domestic Violence Hotline	Completed
Violence Prevention/Street Intervention I (GR)	Violence prevention	Completed
Victims of Crime Act	Illinois HEALS Cross System Projects	Completed
Victims of Crime Act	InfoNet	Completed
Violence Prevention/Street Intervention II (GR)	Violence prevention	Completed
Safe from the Start (GR)	Violence prevention - evaluation	Completed
Residential Substance Abuse Treatment	Substance abuse treatment	Completed
National Forensic Science Improvement Act	Forensic laboratory backlog reduction	Completed
Victims of Crime Act	Transitional housing	Completed
Trauma Recovery Centers (GR)	Trauma Recovery Centers	Posted
Violence Prevention/Street Intervention II (GR)	Street Intervention	Posted
Justice Assistance Grants	Research and analysis	1st Quarter, 2020
Prescription Pill and Drug Disposal Program (GR)	Prescription drug disposal	1st Quarter, 2020
Justice Assistance Grants	Reduce substance abuse	1st Quarter, 2020
Violence Against Women Act	Culturally-specific services/training for public safety	1 st Quarter, 2020
Violence Against Women Act	Human trafficking services	1 st Quarter, 2020
Victims of Crime Act	Civil Legal Assistance for victims	1 st Quarter, 2020
Prison Rape Elimination Act	Corrections	2 nd Quarter, 2020
Justice Assistance Grants	National Incident Based Reporting System compliance	2 nd Quarter, 2020
Victims of Crime Act	Community-based victim services	2 nd Quarter, 2020
Victims of Crime Act	System-based Law Enforcement/Prosecution victim services	3 rd Quarter, 2020
Victims of Crime Act	Court Appointed Special Advocacy	3 rd Quarter, 2020
Victims of Crime Act	Trauma Recovery Centers	3 rd Quarter, 2020

Note- GR indicates the funding stream is State General Revenue funded. All others are federally funded. The GR funded programs are not listed for CY20 because of the uncertainty of the FY21 budget.

MEMORANDUM

TO: Illinois Criminal Justice Information Authority Board Members

FROM: Greg Stevens, Associate Director, Federal & State Grants Unit

DATE: December 19, 2019

RE: **Justice Assistance Grants (JAG) Implementation Plan**

JAG Strategic Plan Implementation

At June 27, 2019, ICJIA Board meeting, the Board approved the JAG Strategic Plan and the five funding goals. The Board also requested an implementation plan for the use of the JAG funds. Staff developed the following JAG implementation plan and presented it at the October 17, 2019 Budget Committee meeting for input and feedback. The Committee approved recommending the following implementation plan to the Board.

The approved JAG goals are as follows.

Goal 1: Reduce violent crime in Illinois communities, particularly domestic and firearm-related crime.

Funding will be used to support evidence-informed violent crime reduction initiatives that target underlying drivers of violence and are tailored to the unique characteristics of violence occurring in Illinois' diverse communities. Training to support the initiative will be an allowable expense.

Goal 2: Remove the lack of transportation as a barrier to justice-involved clients meeting their pre-trial, probation, and parole requirements or attending other needed programming.

Funding will be made available to established evidence-informed programs whose clients are unable to connect to services due to the lack of reliable transportation.

Goal 3: Reduce substance misuse and availability in Illinois communities.

Funding will be used for programs proven to decrease substance misuse and availability in Illinois communities. Training to support the initiative will be an allowable expense.

Goal 4: Move the state toward National Incident Based Reporting System (NIBRS) compliance and more reliable and useful crime data.

Funding will be provided to the Illinois State Police to support the state's effort to implementation NIBRS statewide. This is a JAG program requirement of a mandatory 3% of the award.

Goal 5: Support the Illinois Statistical Analysis Center (SAC) to assist the state in criminal justice planning, data analysis, evaluation, and identification of evidence-based or informed practices.

Funding will be used to support the state’s Statistical Analysis Center (SAC). The state’s SAC provides objective analysis of criminal justice data for informing statewide policy and practice. The Illinois SAC features five research Centers that assist practitioners and policy makers in bridging the gap between traditional academic research and practice and encourage and support data-driven practices and policies both at the state and local levels. The unit conducts research in support of ICJIA’s grant making process and assists the grants unit in developing the programmatic elements of grant solicitations.

JAG Allowability

ICJIA is required to ensure that a portion of JAG funds support local units of government based on a statutorily set formula. A total of 72 percent of the FFY19 award must be granted to local units of government. The remaining 28 percent will be split between ICJIA in the form of administrative funds allocated to support grant making (10 percent) and other state agencies (18 percent). In FFY19, the federal government mandated 3 percent also must be used to support the implementation of the National Incident Based Reporting System.

JAG FFY19 Required Allocations	
3% - NIBRS	\$75,771
72% - Local	\$3,815,867
18% - State	\$1,897,500
Total Programming:	\$5,789,138
+10% - Administrative Costs	\$643,237
Total JAG FFY19 Award:	\$6,432,375

JAG Administrative Limitations

Since 2015, Illinois’ JAG award has remained at about \$6.5 million. The static award amount limits ICJIA’s administrative capacity. As personnel and fringe benefit costs increase, to avoid exceeding available administrative funds, ICJIA must lower the number of full-time staff assigned to the program. ICJIA’s administrative fund allocation of 10 percent now supports 2.5 FTE staff, travel, and indirect costs. ICJIA can monitor approximately 45 grants with 2.5 FTEs.

Funding Allocations by Goal

To achieve the five goals recommended by the JAG Ad Hoc Committee and approved by the Authority Board, staff recommends the following allocations. The charts show the current JAG funding allocations per goal and staff recommendations on future JAG funding allocations per goal for the next five years. The amounts will support one year of JAG programming. It is expected that the future allocated amounts will be similar for the subsequent five years of the JAG Strategic Plan. Any fluctuations in allocated amounts will be prorated.

STRATEGIC PLAN GOALS	CURRENT PROGRAMS	CURRENT ALLOCATIONS	FUTURE PROGRAMS	FUTURE ALLOCATIONS
1. Violent Crime; DV and Firearms	• Community Justice Centers	\$225,000	Programming for all segments of the criminal justice system that support evidence-informed violent crime reduction initiatives.	\$1,000,000
	• Focused Deterrence*	\$626,869		
	Sub-total: \$851,869			
2. Transportation	• No programs under this goal are currently funded.	\$0	Pilot program to support justice-involved clients with transportation needs.	\$100,000
3. Substance Misuse	• Drug Task Forces**	\$2,033,712	Programming of specialized enforcement and prosecution of high-level drug traffickers and the use of treatment over incarceration for low-level criminals.	\$1,902,506
	• Drug Prosecution**	\$1,537,220		\$1,438,014
	• Diversion/Deflection**	\$170,480		\$159,480
	Sub-total: \$3,741,412			Sub-total: \$3,500,00
4. NIBRS	• No programs under this goal are currently funded.	\$0	Programming to support the state's effort to implement NIBRS statewide.	\$100,00
5. Research and Analysis	• Crime Strategy Analysis and Evaluation***	\$950,000	Programming to support SAC to assist in planning, data analysis, evaluation, and identification of evidence based or informed practices.	\$950,000
Totals:		\$5,543,281	Totals:	\$5,650,000

*Focused Deterrence programs are nearing the end of their 36-month NOFO cycle.

**Current programing ends third quarter of 2020.

***Current programing ends second quarter of 2020.

New Notices of Funding Opportunity (NOFOs) Timeline

As required by GATA and ICJIA's JAG Strategic Plan for 2019-2024, ICJIA will release standardized notices of funding opportunity (NOFO) to make JAG awards along the following timeline.

GOAL	NOFO Released	Program Start
Goal 5: Research and Analysis	First Quarter 2020	Third Quarter 2020
Goal 3: Reduce substance abuse	Second Quarter 2020	Third Quarter 2020
Goal 4: NIBRS	Second Quarter 2020	Third Quarter 2020
Goal 1: Violent Crime: DV and Firearms	Fourth Quarter 2020	First Quarter 2021
Goal 2: Transportation	Second Quarter 2021	Third Quarter 2021

Staff will be available at the meeting to answer questions.

NEWS, TOP STORIES

What is Methamphetamine?

- Stimulant drug
- Can smoke, swallow, snort, inject
- Physical effects—increased wakefulness, decreased appetite, and rapid heartbeat

Negative Effects of Use

- High cardiovascular demand
- Drug tolerance, dependence, use disorder
- Virus transmission
- Psychosis, paranoia, hallucinations
- Weight loss
- Tooth decay/loss
- Depression, anxiety
- Suicide
- Overdose death from seizures, cardiac arrhythmia, or respiratory failure

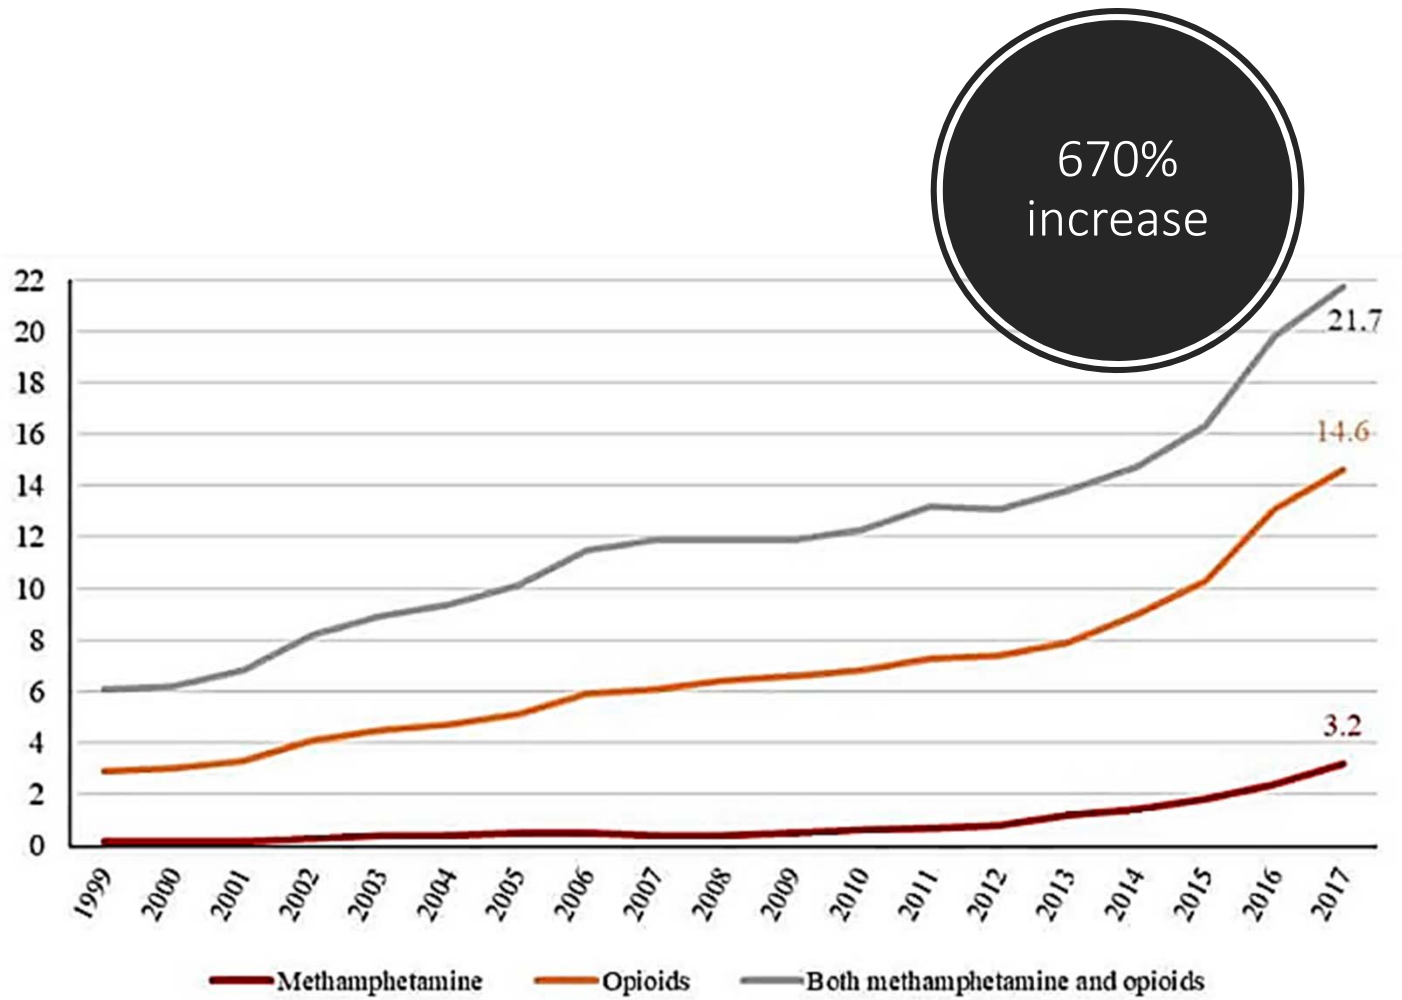

Meth distribution

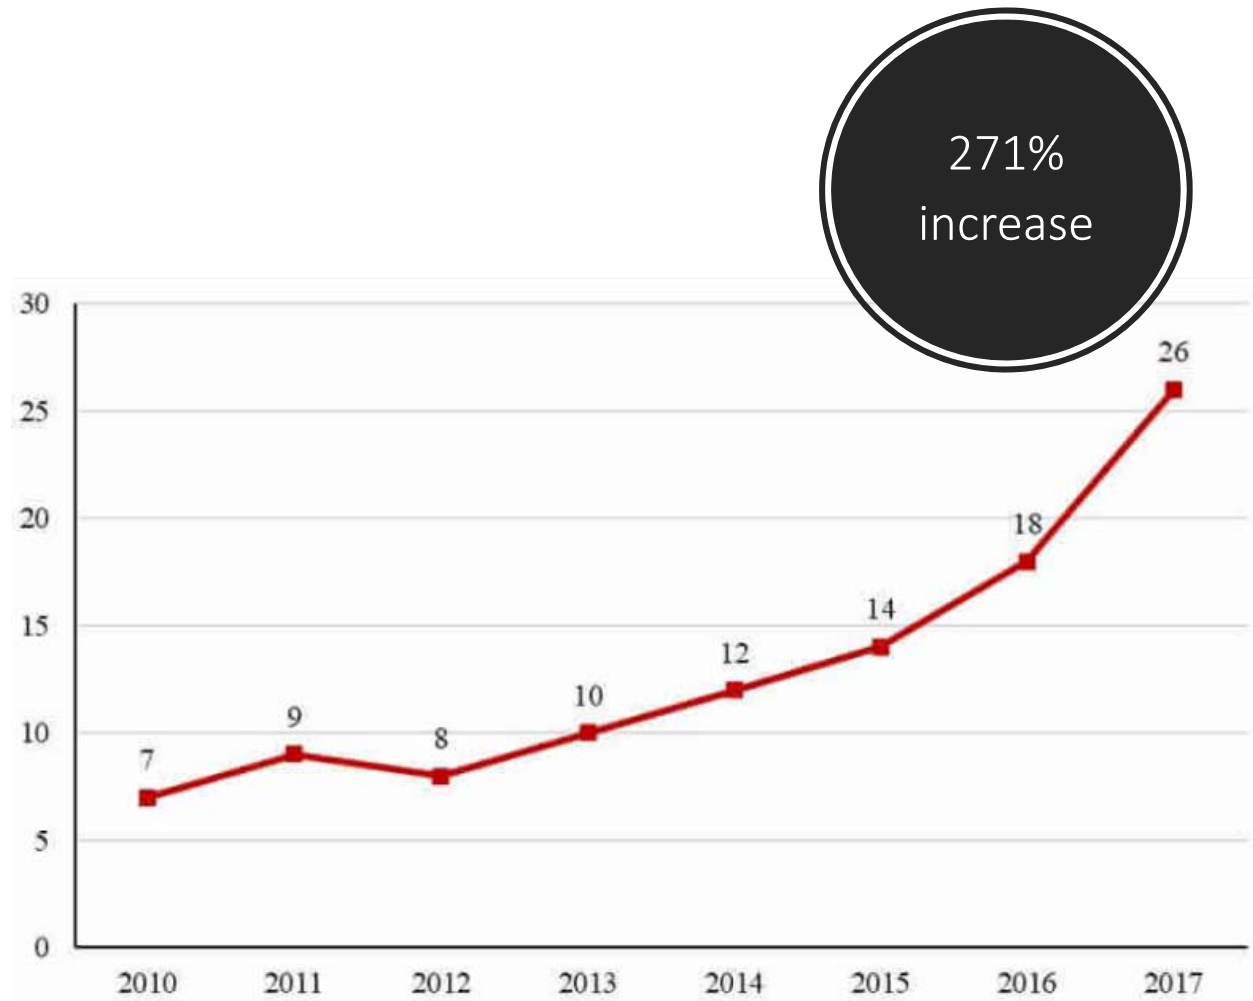

- Most illegal production from Mexico
- Low cost, high purity
