TERMS AND CONDITIONS

1. It is understood that the service charge, if any, is intended to approximate the cost of magnetic tape, computer time, documentation, reproduction, postage, and handling. Software (programs and/or data) and information are made available without charge, as an accommodation to government agencies.
2. No license is conferred by this agreement under any patent, copyright or trademark, except as may be specifically provided herein.
3. The Authority makes no warranties, express or implied, with regard to materials provided under this agreement. In particular, but without limitation, the Authority makes no warranty of merchantability, fitness for a particular use, freedom from infringement of any patent, copyright or trademark, nor any warranty as to accuracy. Accordingly, the Authority assumes no obligation to furnish any assistance of any kind whatsoever, or to furnish any additional information or documentation. The Authority shall not be liable for any direct, indirect, special, incidental or consequential damages, whether based on contract, tort or any other legal theory.
4. The materials supplied by the Authority are to be used only for internal purposes by a government agency. Use for internal purposes shall only include the proper purposes of the requesting agency. The materials supplied by the Authority shall not be used for commercial purposes, nor are they to be published, reproduced, distributed, or made accessible to any third parties for any purposes without the express written permission of the Authority. However, a reasonable number of copies may be made of supplied documentation (including any copyright notices or proprietary legend thereon) necessary for the use of the software, by personnel of the requesting agency.

5. It is understood that the software and/or documentation (including copies thereof) supplied hereunder are copyrighted and will remain the property of the Authority, and that permission to use them may be rescinded at any time. If permission is so rescinded, recipient will return or destroy the materials supplied by the Authority and all copies thereof within a reasonable time.
6. Any publication based on data analysis using the Spatial and Temporal Analysis of Crime package must contain the following acknowledgement:

"This analysis utilized the Spatial and Temporal Analysis of Crime Software developed by the Illinois Criminal Justice Information Authority. Any opinions, findings, and conclusions or recommendations expressed in this publication are those of the author(s) and do not necessarily reflect the view of the Illinois Criminal Justice Information Authority."
